BACKGROUND: For the option to purchase Moyno Pump Parts for the Division of Sewerage and Drainage, the largest user. The term of the proposal option contract would be two (2) years, with the option to renew for one (1) additional year. Contract is through July 31, 2006, extension through July 31, 2007. The Purchasing Office opened formal bids on May 20, 2004.

A contract was established with Moyno, Inc. as a result of solicitation SA001128. The Purchasing Office, with the agreement of the Department of Public Utilities, Division of Sewers and Drainage, has determined that it would be in the City's best interest to issue a second contract to Westcoast Rotor, Inc. as Moyno, Inc. may not be able to supply all parts. Westcoast Rotor, Inc. responded to the original solicitation and was deemed the lowest, responsive, responsible and best bidder for some items. Therefore, the Purchasing Office is recommending a second universal term contract be awarded to Westcoast Rotor, Inc. to maintain a supply chain for all needed parts. Westcoast Rotor, Inc. is a female owned business. This company is not debarred according to the Excluded Parties listing of the Federal Government and is not listed in the Auditor of State database for Findings for Recovery.

The Purchasing Office advertised and solicited competitive bids in accordance with Section 329.06 (Solicitation No. SA001128). 4 bids received: MAJ: 36 bids solicited, MAJ: 3 bids received; MBE: 0 bids solicited, MBE: 0 bids received; FBE: 1 bids solicited, FBE: 1 bids received.

The Purchasing Office is recommending award of a contract to the lowest, responsive, responsible and best bidder:

Westcoast Rotor, Inc., FBE, CC# 95-3929147, \$1.00

Total Estimated Annual Expenditure: \$80,000.00.

This ordinance is being submitted as an emergency because, without emergency action, no less than 37 days will be added to this procurement cycle and the efficient delivery of valuable public services will be slowed.

FISCAL IMPACT: Funding to establish this option contract is budgeted in the Purchasing Contract Account. City Agencies will be required to obtain approval to expend from their own appropriations for their estimated annual expenditures.

To authorize and direct the Finance Director to enter into contract for the option to purchase Moyno Pump Parts with Westcoast Rotor, Inc., to authorize the expenditure of \$1.00 to establish the contract from the Purchasing/Contract Operation Fund, and to declare an emergency. (\$ 1.00).

WHEREAS, the Purchasing Office advertised and solicited formal bids on May 20, 2004 and selected the lowest, responsive, responsible and best bids; and

WHEREAS, this ordinance addresses Purchasing objective of 1) maximizing the use of City resources by obtaining optimal products/services at low prices and 2) encouraging economic development by improving access to City bid opportunities and 3) providing effective option contracts for City agencies to efficiently maintain their supply chain and service to the public; and

WHEREAS, in order to establish a supply matrix as soon as possible for these needed replacement pump parts utilized at the Southerly and Jackson Pike Wastewater Treatment Plants for the transfer of raw, waste activated, and dewatered sludge; polymer and grease between various plant processes, this is being submitted for consideration as an emergency measure; and

WHEREAS, an emergency exists in the usual daily operation of the Purchasing Office in that it is immediately necessary to enter into a contract(s) for an option to purchase Moyno Pump Parts, thereby preserving the public health, peace, property, safety, and welfare; now, therefore,

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:
