BACKGROUND: The Columbus Health Department operates the Tuberculosis Clinic under a grant received from the Franklin County Board of Commissioners. In order to provide for proper treatment and control of Tuberculosis, CHD maintains supplies of

various medications for its patients. In 2005, the Purchasing Division entered into a universal term contract (FL002708) with Capital Wholesale Drug Company for the purchase of various pharmaceuticals regularly used by CHD. An extension of that contract is currently in process, which extends the contract period through April 30, 2009. This ordinance will establish a blanket purchase order in accordance with the terms of the UTC. The contract compliance number is 314377882, and is effective through April 30, 2009. In order to ensure availability of necessary medications, emergency action is hereby requested.

FISCAL IMPACT: Funding for this expense is budgeted in the Health Department Grants Fund. This and all expenses of the T.B. Clinic are reimbursed through a grant received from Franklin County.
