The Commission on Black Girls published a report in July 2020 that includes three strategies that focus on advocating for resources that will enhance successful quality of life pathways for Black Girls including economically and academically. In December 2020, the Columbus City Council passed legislation on the CROWN (Create a Respectful and Open World

for Natural Hair) Act which prohibits discrimination against cultural and raced based hairstyles. African Americans have been discriminated against when wearing their natural hair in the workplace and in school settings which has an adverse economic impact. Both these initiatives have the potential to positively impact economic outcomes especially for Black women.

Emergency action is necessary to avoid causing interruptions in the delivery of program services.

**Fiscal Impact:** Funding is available within the Neighborhood Initiatives subfund.

To authorize the Board of Health to enter into contract with Debora Myles Consulting LLC for project management, marketing, promotions, and communications work in support of the Commission on Black Girls and the CROWN Act; to authorize appropriations and expenditures of \$28,000.00 within the Neighborhood Initiatives subfund; and to declare an emergency. (\$28,000.00)

**WHEREAS**, the Commission on Black Girls has studied and assessed the current quality of life for Black girls ages 11-22, residing in central Ohio; and

**WHEREAS**, through the culmination of analytic results from listening sessions, focus groups, literature reviews, expert discourse and survey results, the Commission has developed recommendations to ensure opportunities, successful futures and the achievement of a high quality of life for Black girls; and

**WHEREAS**, the CROWN Act campaign was created to ensure protection against discrimination based on race-based hairstyles by extending statutory protections to hair texture and protective styles for men, women and gender association which include braids, locs, twists, and knots in the workplace and in public schools; and

**WHEREAS**, workplace dress codes and grooming policies which prohibit natural hair, including afros, braids, twists, and locks, have a disparate impact on Black individuals as these policies are more likely to deter Black applicants and burden or punish Black employees more than any other group; and

**WHEREAS**, Debora Myles Consulting, LLC will be responsible for marketing and event planning services for the Commission on Black Girls; and

**WHEREAS**, an emergency exists in the usual daily operation of the Board of Health in that it is immediately necessary to authorize it to enter into contract with Debora Myles Consulting LLC to avoid causing interruptions in the delivery of program services for the Commission on Black Girls and the CROWN Act, all for the preservation of the public health, peace, property, safety, and welfare; **NOW, THEREFORE**,
