This ordinance is to authorize the Director of the Recreation and Parks Department to enter into contract with the Righter Co., Inc. for improvements and repairs to the Windsor Swimming Pool.

Background: The Windsor Swimming pool was originally built in 1968. After serving the City of Columbus for more than fifty years, the facility is in need of repairs to allow it continue to function in a safe and efficient manner. A study was completed by Korda Nemeth Engineering in the fall of 2018 to identify priority repairs that would be needed to allow the pool to operate for another two years. This project will complete these repairs and allow the pool to reopen during the summer of 2019. These repairs include concrete deck repairs, minor grading, gutter patching, and plumbing repairs.

Total cost for the project will not exceed \$199,570.00 (\$149,570.00-Base Bid, \$50,000.00-Contingency)

Bids were advertised through Vendor Services, in accordance with City Code Section 329 on February 5, 2019 and were received by the Recreation and Parks Department on February 21, 2019. Bids were received from the following companies:

<u>Company</u>	<u>Status</u>	<u>Amount</u>
The Righter Co., Inc.	MAJ	\$199,570.00

After reviewing the proposal that were submitted, it was determined that the Righter Co., Inc. was the lowest and most responsive bidder. There was interest in this project as there were 21 plan holders. Even though there was only one bidder on the project, the bid was within the total project budget.

The Righter Co., Inc. and all proposed subcontractors have met code requirements with respect to prequalification, pursuant to relevant sections of Columbus City Code Chapter 329.
