BACKGROUND: This ordinance is for the option to establish a Universal Term Contract for US Filter/Envirex Parts for the Division of Sewerage and Drainage, the sole user. This contract will provide for purchase of parts used in the repair, rehabilitation and maintenance on various US Filter/Envirex systems and equipment at both the Jackson Pike and Southerly Wastewater Treatment Plants. This equipment includes pressure relief valves, traps, heat exchangers, primary and secondary tanks and skimming concentrators. The term of the proposed option contract would be approximately two years, expiring March 31, 2013, with the option to renew for one (1) additional year. The Purchasing Office opened formal bids on September 22, 2011.

The Purchasing Office advertised and solicited competitive bids in accordance with Section 329.06 (Solicitation No. SA004093). Seventy-six (76) bids were solicited: (M1A-0, F1-2, MBR-2). One (1) bid was received.

The Purchasing Office is recommending award to the lowest, responsive, responsible and best bidder as follows:

Siemens Industry, Inc., MAJ, CC# 13-2762488 expires 04/07/2013, All Items, \$1.00
Total Estimated Annual Expenditure: \$253,000.00, Division of Sewerage and Drainage, the sole user

The company is not debarred according to the Excluded Party Listing System of the Federal Government or prohibited from being awarded a contract according to the Auditor of State Unresolved Findings for Recovery Certified Search.

This ordinance is being submitted as an emergency because, without emergency action, there is a possibility of a gap in maintenance at the wastewater treatment plants.

FISCAL IMPACT: Funding to establish this option contract is budgeted in the Mail, Print Services and UTC Fund Account. City Agencies will be required to obtain approval to expend from their own appropriations for their estimated annual expenditures.

To authorize the Finance and Management Director to enter into a contract for the option to purchase US Filter/Envirex Parts with Siemens Industry, Inc.; to authorize the expenditure of \$1.00 to establish the contract from the Mail, Print Services and UTC Fund Account; and to declare an emergency. (\$1.00).

WHEREAS, the Purchasing Office advertised and solicited formal bids on September 22, 2011 and selected the lowest, responsive, responsible and best bidder; and

WHEREAS, these US Filter/Envirex Parts are required for the repair, rehabilitation and maintenance services performed by plant maintenance personnel on various equipment at both City of Columbus treatment plants in the primary and secondary treatment of wastewater; and,

WHEREAS, this ordinance addresses Purchasing objective of 1) maximizing the use of City resources by obtaining optimal products/services at low prices and 2) encouraging economic development by improving access to City bid opportunities and 3) providing effective option contracts for City agencies to efficiently maintain their supply chain and service to the public; and

WHEREAS, in order to maintain a supply of US Filter/Envirex Parts, this is being submitted for consideration as an emergency measure; and

WHEREAS, an emergency exists in the usual daily operation of the Purchasing Office in that it is immediately necessary to enter into a contract for the option to contract for US Filter/Envirex Parts, thereby preserving the public health, peace, property, safety, and welfare; now, therefore:
