### Rezoning Application Z08-066

**APPLICANT:** Cooper Lakes II, LLC & JWG2 Investments I, LLC; c/o David Hodge, Atty.; 37 West Broad Street, Suite 725; Columbus, Ohio 43215.

**PROPOSED USE:** Multi-family residential development.

**DEVELOPMENT COMMISSION RECOMMENDATION:** Approval (4-1) on March 12, 2009.

**CITY DEPARTMENTS' RECOMMENDATION:** Approval. The site is developed with a 240-unit apartment complex zoned in the L-AR-12, Limited Apartment Residential District (Z95-007). The applicant requests the L-AR-12, Limited Apartment Residential District to construct two new apartment buildings allowing for an increase of 16 multi-family units. The proposed limitation text commits to a landscaping plan for the construction site and includes commitments from the current L-AR-12 District. The site is located within the boundaries of Subarea 28 the *Northland Plan: Volume I* (2001), which discourages additional multi-family

development. The Plan also recommends that infill development be compatible with surrounding development and that new developments adhere to the *Northland Development Standards* (1992). The location of the proposed apartment buildings is adjacent to and shares access with existing single-family dwellings. Since additional commitments are included in the limitation text for landscaping, parking and building setbacks that adequately address compatibility issues, Staff believes the increase in density is negligible. The requested L-AR-12, Limited Apartment Residential District contains limitations to address the *Northland Development Standards* (1992), and is compatible with the zoning and development patterns of the area.

To rezone **3100 COOPER ROAD (43081)**, being 21.18± acres located east of the intersection of Forest Hills Boulevard and Cooper Road, **From:** L-AR-12, Limited Apartment Residential District, **To:** L-AR-12, Limited Apartment Residential District (Rezoning # Z08-066).

**WHEREAS**, application #Z08-066 is on file with the Building Services Division of the Department of Development requesting rezoning of 21.18± acres L-AR-12, Limited Apartment Residential District, to L-AR-12, Limited Apartment Residential District; and

**WHEREAS**, the Columbus Public Health Healthy Places program reviews applications for active living features and recognizes this development has included bike racks for employees or visitors that ride their bike because of choice or because of limited options; connection to the on site sidewalk system into the existing neighborhood sidewalk system for a continuous pedestrian environment; and provided room for a city constructed bike path in the future; and

**WHEREAS**, the Development Commission recommends approval of said zoning change; and

**WHEREAS**, the City Departments recommend approval of said zoning change because the requested L-AR-12, Limited Apartment Residential District contains limitations to address the *Northland Development Standards* (1992), and is compatible with the zoning and development patterns of the area, now, therefore:

**BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:**

**SECTION 1.** That the Official Zoning Map of the City of Columbus, as adopted by Ordinance No. 0179 -03, passed February 24, 2003, and as subsequently amended, is hereby revised by changing the zoning of the property as follows:

**To:** L-AR-12, Limited Apartment Residential District

**SECTION 2.** That a Height District of thirty-five (35) feet is hereby established on the L-AR-12, Limited Apartment Residential District on this property.

**SECTION 3.** That the Director of the Department of Development be, and he is hereby authorized and directed to make the said changes on the said original zoning map in the office of the Building Services Division and shall register a copy of the approved L-AR-12, Limited Apartment Residential District and Application among the records of the Building Services Division as required by Section 3370.03 of the Columbus City Codes; said plan being titled "**LANDSCAPE PLAN**," said text being titled "**LIMITATION TEXT**," both signed by Jeffrey L. **INTRODUCTION:**

The subject property is 21.18+/- acres located on the east side of Cooper Road at the intersection of Cooper Road and Forest Hills Boulevard. This site was originally developed in 1997-1998 as a 240 unit apartment complex, in accordance with the Northland Plan as part of a 100 acre tract which comprises Area 13 wherein multi-family development may be supported. Applicant proposes to develop the balance of the site with two (2) additional eight (8) unit buildings for a maximum of sixteen (16) 3-Bedroom additional apartment homes for rent. The proposal shall be consistent with recommendations of the Northland Plan Volume I.

This application is being brought before the Development Commission and City Council to satisfy a growing need in our community to provide affordable 3-bedroom rental housing. For the past 4 years we have had an increasing number of requests from both prospective residents and active residents alike to provide affordable 3-bedroom rental housing. We are fortunate to have an area on site that can accommodate such a request. We have reviewed the financial feasibility of such an addition to the property and its impact on the operational costs and have determined that we are willing to proceed with this venture providing that we can get the satisfactory approvals from the various governing bodies.
