Rezoning Application Z16-016

APPLICANT: Edwards Communities Development Company; c/o Jeffrey L. Brown, Atty.; Smith and Hale LLC; 37 West Broad Street, Suite 460; Columbus, OH 43215.

PROPOSED USE: Commercial and multi-unit residential development.

DEVELOPMENT COMMISSION RECOMMENDATION: Approval (4-0) on September 8, 2016.

CITY DEPARTMENTS' RECOMMENDATION: Approval. The requested CPD, Commercial Planned Development District will allow neighborhood commercial and office development on 3.56± net acres, and the requested L-AR-1, Limited Apartment Residential District will allow a maximum of 550 units on 24.6± net acres with 4.5 acres of open space. The site falls within the boundaries of the *Interim Hayden Run Corridor Plan* (2004), which recommends office uses for this location. The Plan also includes recommended design standards for parking lot placement and signage. Planning Division staff recognizes that multi-unit residential uses may be appropriate if integrated into an overall site plan demonstrating a compatible mix of uses that includes offices, useable open space, and interconnectivity. The proposed CPD district includes a minimum of 10,000 square feet of office space, limits parking along the Avery frontage, and

commits to Regional Commercial Overlay graphics provisions. The proposed L-AR-1 district includes density and building height limitations, open space areas, and building materials commitments. Both districts propose interconnectivity between each other and adjacent properties. The project also includes a concurrent Council variance (ORD No. 3113-2016; CV16-018) to permit self-storage use, commercial access, no frontage on a public street for future lot splits, and reductions to building lines and perimeter yard requirements.

To rezone **5300 AVERY ROAD (43016)**, being 28.19± acres located on the east side of Avery Road, 1,890± feet south of Cara Road, **From:** R, Rural District, **To:** CPD, Commercial Planned Development District and L-AR-1, Limited Apartment Residential District (Rezoning # Z16-016).

WHEREAS, application # Z16-016 is on file with the Department of Building and Zoning Services requesting rezoning of 28.19 acres from R, Rural District, to CPD, Commercial Planned Development District and L-AR-1, Limited Apartment Residential District; and

WHEREAS, the Development Commission recommends approval of said zoning change; and

WHEREAS, the City Departments recommend approval of said zoning change because the proposed CPD district includes a minimum of 10,000 square feet of office development, limits parking along the Avery frontage, and commits to Regional Commercial Overlay graphics provisions. The proposed L-AR-1 district includes density and building height limitations, open space areas, and building materials commitments. Both districts propose interconnectivity between each other and adjacent properties. Staff has determined that multi-unit residential development is an appropriate use at this location because it is integrated into an overall site plan demonstrating a compatible mix of uses that includes offices, useable open space, and interconnectivity; now, therefore:
