BACKGROUND: The Columbus Health Department has been awarded additional grant funds from the Ohio Department of Health to fund the Women, Infants, and Children (WIC) Program in the amount of \$100,112, for a total grant award in the amount of \$4,484,773. The additional funding will allow the program to continue to offer the services being provided. The purpose of this legislation is to accept and appropriate these funds to conduct the WIC Program for the period October 1, 2006 through September 30, 2007.

The primary objective of the Women, Infants, and Children (WIC) Program is to provide nutritionally desirable food and nutrition education to pregnant and lactating women, infants, and children at nutritional risk in Franklin County who meet categorical, income

and nutritional risk requirements for eligibility.

Emergency action is requested in order to avoid any delays in providing program services.

FISCAL IMPACT: The Women, Infants and Children Program is entirely funded by the Ohio Department of Health. This program does not generate any revenue or require a City match.

WHEREAS, \$100,112 in additional grant funds have been made available through the Ohio Department of Health for the Women, Infants, and Children (WIC) grant program for the period October 1, 2006 through September 30, 2007; and,

WHEREAS, it is necessary to accept and appropriate these funds from the Ohio Department of Health for the continued support of the WIC Program; and,

WHEREAS, an emergency exists in the usual daily operation of the Health Department in that it is immediately necessary to accept these grant funds from the Ohio Department of Health and to appropriate these funds to the Health Department for the immediate preservation of the public health, peace, property, safety and welfare; Now, therefore,
