The purpose of this legislation is to authorize the Director of Public Utilities to enter into a planned modification and extension of the contract, EL007017, with FeeCorp Corporation for the Division of Sewerage and Drainage for Catch Basin and Manhole Cleaning for

the Sewer Maintenance Operation Center.

The Division of Sewerage and Drainage, Sewer Maintenance Operations Center utilizes this service to remove and dispose debris from storm sewers and entire lengths of lead lines at various locations to reduce and prevent street flooding. Services are rendered from spring through fall. The contract language allows for a one (1) year agreement that can be extended 2 more years on a year to year basis. This is the last extension of this contract. The new expiration date will be May 31, 2009. A re-bid of this service will be let in the fall of 2008.

Emergency legislation is being requested due to the fact that catch basin cleaning season is commencing and that there will not be any interruption in the services.
