BACKGROUND: This legislation authorizes the Finance and Management Director to modify a contract with CBRE Government Services, LLC. (CBRE) for facility management services at the Jerry Hammond Center and the Franklin County Municipal Court Building. Since 2007, the Department of Finance and Management has contracted for facility management services for the Jerry Hammond Center at 1111 E. Broad Street and the Franklin County Municipal Court Building at 375 S. High Street.

CBRE is responsible for regularly assessing the conditions of the building and its systems, developing and implementing building operations (including janitorial and security services), performing preventive maintenance, and establishing capital plans necessary to maintain, preserve, and keep the premises in good repair and condition. At the City’s request, CBRE may also act as a liaison and assist in the oversight of the design and build out of building renovations and improvements at these facilities.

This modification is necessary to add additional funding to the facility management agreement. These additional funds are necessary to fund the boiler replacement at the Jerry Hammond Center, as well as the fire pump replacement at the Municipal Court Building.

The initial term of this contract was awarded pursuant to Ordinance 1223-2019 and was for the period June 1, 2019 - May 31, 2020, with four (4) annual renewal options. The first contract renewal was awarded pursuant to Ordinance 0873-2020 and was for the period June 1, 2020 - May 31, 2021. A contract modification was done to add additional funds in the amount of \$270,000 pursuant to ordinance 2100-2020. The second contract renewal was awarded pursuant to Ordinance 0908-2021 and was for the period June 1, 2021 - May 31, 2022. The third renewal was awarded pursuant to Ordinance 0653-2022 and was for the period June 1, 2022 - May 31, 2023.

The cost break-down for the additional funding needed for this facility management services at the Jerry Hammond Center and the Municipal Court Building are as follows:

Jerry Hammond Center: \$80,000.00 (Boiler Replacement)

Municipal Court Building: \$80,000.00 (Fire Pump Replacement)

Emergency action is requested to ensure that this contract can be modified quickly so that necessary sub-contracts as well as facility repairs and small scale renovations can continue without interruption.
