This ordinance authorizes the Director of the Recreation and Parks Department to enter into contract with Pavement Protectors, dba M&D Blacktop Sealing, for the installation of an open shelter, a playground for varying age groups, site furnishings, earthwork, asphalt, concrete and landscaping at Deshler Park.

**Background:** In 2015, Deshler Park was identified by the Southside Area Commission as a top priority for improvement through the Urban Infrastructure Recovery Funding (UIRF). Columbus Recreation and Parks Planning and Design staff worked directly with the Deshler Park Civic Association to determine the community needs and develop a plan for improvements. Staff initially met with the Civic Association in September to receive feedback on the needed improvements. A Conceptual Plan was developed for the park improvements that was approved and supported by the Civic Association in November 2015 and shared with the Area Commission later in the month and was approved without comment. These improvements will further the Recreation and Parks Master Plan’s mission of updating five neighborhood parks per year.
