Just as the COVID-19 pandemic has continued to impact the workforce, the need for economic assistance remains. The School Litter Clean-Up Program will offer athletic and extracurricular programs within and around Columbus to participate in litter cleanups in designated areas defined by Keep Columbus Beautiful. The groups will perform litter cleanup, provide Keep Columbus Beautiful with the locations cleaned and report the number of participants in each clean-up effort. Each organization may earn up to \$1,500 for each cleanup up to a maximum of \$24,000. This program gives students an opportunity to improve their community while earning money for their athletic program or extracurricular activity.
