BACKGROUND: The Division of Police has been awarded a FY2011 Paul Coverdell Forensic Science Improvement Act grant. This is a federal grant program from the U.S. Department of Justice, Office of Justice Programs, National Institute of Justice. The City must be a sub grantee to the State of Ohio Office of Criminal Justice Services to participate in this program according to the federal grant guidelines. Therefore, the Mayor is required to sign a subgrantee award to accept this grant on behalf of the City. The official City contact authorized to act in connection with this grant is Crime Lab Manager, Jami St. Clair. The grant program provides funds to improve forensic crime lab activities. This award will fund training and travel costs for Columbus Police Department forensic lab personnel to attend new and/or updated forensic training and pay overtime costs for work on ballistics and drug analysis.

EMERGENCY DESIGNATION: Emergency legislation is needed to make the grant funds available as quickly as possible for upcoming training registration deadlines. The grant award period started October 1, 2011.

FISCAL IMPACT: This ordinance authorizes the acceptance and appropriation of a grant in the amount of \$45,628.07 from the Federal government for training and overtime costs for the City's Crime Lab. There will be no fiscal impact on the General Fund. All funds appropriated are reimbursable from the grant award.

To authorize and direct the Mayor of the City of Columbus to accept a subgrantee award through the FY2011 Paul Coverdell National Forensic Science Improvement Act via the State of Ohio Office of Criminal Justice Services; to authorize Jami St. Clair, Crime Lab Manager, as the official city representative to act in connection with the subgrant; to authorize an appropriation of \$45,628.07 from the unappropriated balance of the General Government Grant Fund to the Division of Police to cover the costs of the subgrant project; and to declare an emergency (\$45,628.07).

WHEREAS, the Division of Police was awarded funding through the FY2011 Paul Coverdell National Forensic Sciences Improvement Act for the training of forensic crime lab personnel, and funds for overtime costs on ballistics and drug analysis cases; and

WHEREAS, advancing technology and new Crime Lab employees have created a need for up to date and additional forensic science training, and overtime funds are needed to process ballistic and drug analysis cases; and

WHEREAS, Crime Lab Manager Jami St. Clair has been identified as the official representative to act in connection with this FY2011 Paul Coverdell National Forensic Science Improvement Act Subgrant and to provide information as required; and

WHEREAS, this ordinance is being submitted as an emergency measure because the grant funds need to be made available as quickly as possible to register for training opportunities during the grant award period which started October 1, 2011; and

WHEREAS, an emergency exists in the daily operation of the Public Safety Department, Division of Police, in that it is immediately necessary to authorize the Mayor to accept a FY2011 Paul Coverdell National Forensic Science Improvement Act Subgrant for the Division of Police Crime Lab and to authorize an appropriation for the grant activities for the immediate preservation of the public health, peace, property, safety and welfare; now, therefore
