1. BACKGROUND:

The City of Columbus, Department of Public Service, received a request from Ms. Yamma Hinton asking that the City sell a 0.007 acre portion of the unnamed north/south right-of-way south of Bryden Road between Carpenter and 20th Streets, and a 0.026 acre portion of the unnamed east/west right-of-way south of Bryden Road between Carpenter and 20th Streets, which are adjacent to property owned by Ms. Hinton. Transfer of these rights-of-way will facilitate improvements and enhancements to property owned by Ms. Hinton, adjacent to the above noted right-of-way, located at 257 South 20th Street. Per current practice, comments were solicited from interested parties, including City agencies, private utilities and the applicable area commission, before it was determined that, subject to the retention of a general utility easement for those utilities currently located within these rights-of-way, the City will not be adversely affected by the transfer of these rights-of-way. The Department of Public Service submitted a request to the Department of Law, Real Estate Division, asking that they establish a value for these rights-of-way. A value of \$710.00 was established for this right-of-way. After review of the request, the Land Review Commission voted to recommend the above referenced rights-of-way be transferred to Ms. Hinton for \$710.00.

2. FISCAL IMPACT:

The City will receive a total of \$710.00 that will be deposited in Fund 7748, Project P537650, as consideration for the transfer of the requested right-of-way.

To authorize the Director of the Department of Public Service to execute those documents required to transfer a 0.007 acre portion of the unnamed north/south right-of-way south of Bryden Road between Carpenter and 20th Streets, and a 0.026 acre portion of the unnamed east/west right-of-way south of Bryden Road between Carpenter and 20th Streets, to

Ms. Yamma Hinton which is adjacent to property owned by Ms. Yamma Hinton at 257 South 20th Street.

WHEREAS, the City of Columbus, Department of Public Service, received a request from Ms. Yamma Hinton asking that the City transfer a 0.007 acre portion of the unnamed north/south right-of-way south of Bryden Road between Carpenter and 20th Streets, and a 0.026 acre portion of the unnamed east/west right-of-way south of Bryden Road between Carpenter and 20th Streets, right-of-way, adjacent to property owned by Ms. Yamma Hinton to them; and

WHEREAS, acquisition of the right-of-way will facilitate improvements and enhancements to property currently owned by Ms. Yamma Hinton, adjacent to the above noted right-of-way; and

WHEREAS, the City of Columbus, Department of Public Service, Division of Infrastructure Management, by this transfer, extinguishes its need for this public right-of-way; and

WHEREAS, per current practice, comments were solicited from interested parties, including City agencies, private utilities and applicable area commissions, before it was determined that, subject to the retention of a general utility easement for those utilities currently located within this right-of-way, the City will not be adversely affected by the transfer of this right-of-way to Ms. Yamma Hinton; and

WHEREAS, the Department of Public Service submitted a request to the Department of Law, Real Estate Division, asking that they establish a value for the right-of-way; and

WHEREAS, a value of \$710.00 was established for the right-of-way; and

WHEREAS, the Land Review Commission voted to recommend that the above referenced right-of-way be transferred to Ms. Yamma Hinton for the amount of \$710.00; **now therefore**
