BACKGROUND: This legislation authorizes the Finance and Management Director to enter into a contract on behalf of the Office of Construction Management with Thomas & Marker Construction Company for the Reeb Avenue Building Renovations Project. This project involves the renovation and a child care addition to the former Reeb Avenue Elementary School, a historic landmark in the City's South Side. The facility will be known as the Reeb Avenue Center.

The former Reeb Avenue Elementary School is located at 280 East Reeb Avenue. It will be renovated and expanded to house non-profit organizations to provide programs and services that meet the needs of the neighborhood. The Reeb Avenue School was originally constructed in 1907. This project will renovate the historic portion of the building, approximately 44,790 sq. ft., as well as the approximate 4,500 sq. ft. gymnasium addition that was constructed in 1968. The classroom portion of the 1968 addition will be demolished and replaced with an addition of approximately 17,702 sq. ft. for a daycare center.

These renovations and addition will support much needed services within the Southern Gateway community. Among the many functions to be provided by the not-for-profit groups that will occupy this facility will be child care, educational services to children of all ages, support services for families, and workforce development programs.

The City of Columbus currently owns, and will continue to own, the building. A non-profit organization, the Reeb Avenue Center, is awaiting approval of its tax-exempt 501(c)(3) status from the IRS and will be formed to govern and serve as master tenant of the Reeb Avenue Center. Tenants will enter into lease agreements with the Board of the Reeb

Avenue Center. Tenants will be expected to pay rents to cover the operating expenses of the Center and for the establishment of a capital fund reserve.

Formal bids were solicited and five companies submitted bid on June 25, 2014 as follows (0 FBE, 0 MBE):

Elford, Inc.	\$11,125,000
Berglund Construction Company	\$11,292,543
Thomas & Marker Construction Company	\$11,375,233
R W Setterlin Building Company	\$11,546,509
Gutknecht	\$12,067,925

The Office of Construction Management recommends the bid award be made to the most responsive and responsible bidder, Thomas & Marker Construction Company. Elford, Inc. and Berglund Construction Company were deemed non-responsive due to incomplete bids.

Emergency action is requested so that to the greatest extent possible the project can be completed prior to the 2015 academic school year.

Thomas & Marker Construction Company Contract Compliance No. 34-4476858, expiration date 01/30/16.

Fiscal Impact: The cost for this renovation is \$11,375,233.00; additional contingency funding of \$223,517.00 brings the total to \$11,598,750.00. Of this, the City has committed \$5,888,750.00 within the Construction Management Capital Improvement Fund. The remainder of the funding (\$5,720,000.00) is to come from payments, donations, grants, contributions or gifts from private, federal and state entities; due to the varied nature of the revenue sources, it is necessary to properly account for the monies in different funds. The proceeds from these outside funding sources have not yet been received; therefore it is necessary to certify funds needed in the amount of \$5,720,000.00 against the Special Income Tax Fund.

To authorize the Finance and Management Director to enter into a contract on behalf of the Office of Construction Management with Thomas & Marker Construction Company for the Reeb Avenue Building Renovations Project; to authorize and direct the City Auditor to transfer \$5,720,000.00 from the Special Income Tax Fund to the General Permanent Improvement Fund and the General Government Grants Fund; to authorize the City Auditor to appropriate and expend \$3,220,000.00 within the General Permanent Improvement Fund; to authorize the City Auditor to appropriate and expend \$2,500,000.00 within the General Government Grants Fund; to authorize the expenditure of \$4,253,836.00 from the Construction Management Taxable Bonds Fund; to authorize the expenditure of \$1,624,914.00 from the Construction Management Capital Improvement Fund; and to declare an emergency. (\$11,598,750.00)

WHEREAS, the Department of Finance and Management, Office of Construction Management desires to enter into a contract for the Reeb Avenue Building Renovations Project; and

WHEREAS, formal bids were solicited and five companies submitted bids; and

WHEREAS, the bids submitted by Elford, Inc., the apparent lowest bidder, and Berglund Construction Company, the apparent second lowest bidder, were deemed nonresponsive for failing to submit values for all required fields as mandated by the bid specifications; and

WHEREAS, it is necessary to transfer funds from the Special Income Tax Fund to this project; and
