1. BACKGROUND:

This legislation authorizes the Director of Public Utilities to enter into a construction administration and inspection services contract with Prime Engineering & Architects, Inc. The Department of Public Utilities' project management personnel have reviewed proposals from several local firms, and is requesting City Council to authorize the award of a contract to each of the three highest ranking firms.

2. MULTI-YEAR CONTRACT:

This contract establishes fixed direct labor, overhead, and fixed fee rates for the period of 2011-2013. This ordinance will authorize the expenditure of up to \$672,000.00 for three sanitary sewer projects and up to \$300,000.00 for two water projects. The Department anticipates requesting additional appropriations to this contract during the remainder of 2011, 2012, 2013 fiscal years, through planned contract modifications duly authorized by City Council. Under the terms of this contract, the City has the right to contract for additional services to fulfill emergency capital improvements related needs subject to the approval of a contract modification by City Council. The rates schedules established within this contract will remain in force throughout the life of the contract.

3. FISCAL IMPACT:

There is sufficient funding and authority within the Sanitary Sewer Super Build America Bond Fund to cover the project expenditures of this legislation for the sanitary sewer projects. A transfer of funds within the Sanitary Sewer Super Build America Bond Fund, Water Build America Bonds Fund, and an amendment to the 2011 Capital Improvements Budget is necessary.

4. CONTRACT COMPLIANCE INFO: 31-1373357 | FBE | Expires 11/30/12

This company is not debarred according to the Federal excluded parties listing or prohibited from being awarded a contract to the Auditor of State unresolved findings for recovery certified search.

5. EMERGENCY DESIGNATION:

The Department is requesting that this ordinance be made an emergency measure in order to expedite the establishment of the contract services that are necessary to ensure that the sanitary and water systems are being rehabilitated and/or replaced to ensure the continued operation of this vital infrastructure.

..Title

To authorize the Director of Public Utilities to enter into a construction administration and inspection services agreement with Prime Engineering & Architects, Inc.; to authorize a transfer within and an expenditure of up to \$672,000.00 from the Sanitary Sewer Super Build America Bond Fund; to authorize a transfer within and an expenditure of up to \$300,000.00 within the Water Build America Bonds Fund; for the Division of Power and Water; to authorize an amendment to the 2011 Capital Improvements Budget; and to declare an emergency. (\$972,000.00)

WHEREAS, the Sewer System Engineering Section of the Division of Sewerage and Drainage and the Division of Water have a consistent and immediate demand for cost-effective construction administration and inspection services so that its capital improvements projects are completed in accordance with the Department's design requirements in order to ensure the continued operation of its sanitary and water infrastructures; and

WHEREAS, the Department did undertake a successful Request for Proposal process in accordance with Section 329.12 of the Columbus City Codes in an effort to find three firms to provide an ongoing source of technical personnel to supplement existing city inspection personnel that are required to protect its customers investment in its sanitary sewer and water infrastructures; and

WHEREAS, based upon an evaluation of the five proposals received for the three construction administration and inspection contracts to be awarded for the years of 2011-2013, utilizing a predetermined criteria, a selection committee submitted the rankings to the Director of Public Utilities who determined that DLZ Ohio, Inc., Prime Engineering & Architects, Inc., and Stantec Consulting Services, Inc. were the highest ranking firms capable of providing the required services; and

WHEREAS, it is necessary for this Council to authorize the City Auditor to transfer funds within the Sanitary Sewer Super Build America Bond Fund and the Water Build America Bonds Fund; and

WHEREAS, it is necessary to authorize an amendment to the 2011 Capital Improvements Budget for purposes of providing sufficient budget authority for the project expenditures; and

WHEREAS, an emergency exists in the usual daily operation of the Department of Public Utilities in that it is immediately necessary to authorize the Director of Public Utilities to enter into contract with Prime Engineering & Architects, Inc., for the construction administration and inspection services for the projects listed herein below, which are necessary to allow for the proper operation of the City's sanitary and water infrastructure, as well as, for the preservation of the public peace, health, property, and welfare; **Now, Therefore,**

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

Section 1. That the Director of Public Utilities be, and hereby is, authorized to award and execute a professional engineering services agreement with Prime Engineering & Architects, Inc., 3000 Corporate Exchange Dr, Columbus, Ohio 43231 that will provide construction administration and inspection services for sewer improvement and water projects in accordance with the terms and conditions of the Contract on file in the office of the Division of Sewerage and Drainage's Sewer System Engineering Section.

Section 2. That the said services shall be performed by Prime Engineering & Architects, Inc. to the satisfaction of the Director of Public Utilities, the Administrators of the Divisions of Sewerage and Drainage, and Power and Water, as well as the Engineering Managers of the Division of Sewerage and Drainage's Sewer System and the Division of Power and Water.
