1. BACKGROUND:

To authorize the Director of Finance and Management to enter into a contract with HYO Inc. dba Pengwyn for the installation of snow and safety equipment on five (5) city supplied trucks. This equipment will be used by the Division of Infrastructure Management in public right of way.

The Purchasing Office advertised and solicited competitive bids in accordance with the relevant provisions of City Code Chapter 329 relating to competitive bidding (RFQ019380). Registered vendors were solicited and three (3) bids were received. After reviewing the bids, the Division of Infrastructure recommends an award be made to HYO Inc. in the amount of \$119,265.00 as the responsive, responsible and best bidder. The lowest bidder did not provide the required clutch pump that would allow our equipment to be interchangeable with our existing trucks and therefore did not meet the division's required specifications.
