**Rezoning Application # Z07-013**

**APPLICANT:** Plaza-GRB- Hamilton Road LLC; c/o Jackson B. Reynolds III, Atty; Smith and Hale; 37 West Broad Street, Suite 725; Columbus, OH 43215.

**PROPOSED USE:** Commercial, fuel sales and car wash.

**DEVELOPMENT COMMISSION RECOMMENDATION:** Approval (7-0) on May 10, 2007.

**CITY DEPARTMENTS' RECOMMENDATION:** Approval. The site was originally zoned in 2003 and included 130.84 acres and included an L-AR-12 component and an L-C-4 component. The request is to modify portions of the 35.59 acres found in the L-C-4 zoned component. The original zoning included a site plan that no longer reflects the proposed layout of the shopping center development and there are setback modifications requested due to the irregular right-of-way dedications and a CPD component is being added within the outlot area to allow for a convenient store, gasoline sales and a car wash. The text and site plan will identify the areas of change and the new development standards for the site. The proposed CPD, Commercial Planned Development District allows gas stations and car washes as well as all C-4 uses in the adjacent L-C-4, Limited Commercial District. The proposed CPD

reflects the development standards of the adjacent L-C-4, Limited Commercial District. Due to these factors, Staff finds the requested CPD, Commercial Planned Development and L-C-4, Limited Commercial Districts are consistent with the development and zoning patterns of the area.

To rezone **4001 SOUTH HAMILTON ROAD (43232)**, being 32.2± acres located on the west side of South Hamilton Road, 320± feet south of Winchester Pike, **From:** L-C-4, Limited Commercial District, **To:** CPD, Commercial Planned Development, and L-C-4, Limited Commercial Districts (Rezoning # Z07-013).

The original zoning included a site plan that no longer reflects the proposed layout of the shopping center development and there are setback modifications requested due to the irregular right-of-way dedications and a CPD component is being added within the outlot area to allow for a convenient store, gasoline sales and a car wash. The text and site plan will identify the areas of change and the new development standards for the site.

The proposed CPD, Commercial Planned Development District allows gas stations and car washes as well as all C-4 uses in the adjacent L-C-4, Limited Commercial District. The proposed CPD reflects the development standards of the adjacent L-C-4, Limited Commercial District. Due to these factors, Staff finds the requested CPD, Commercial Planned Development and L-C-4, Limited Commercial Districts are consistent with the development and zoning patterns of the area, now, therefore:

A new site plan is submitted with the associated text to detail the various development elements created for the property. Areas of the shopping center are being left blank as the development pattern of those areas are not known at this time and those areas will be developed with the standards found in the C-4 district and those included in the limitation text.

Applicant (either together or alone, the residential or commercial developers) acknowledges that it will be responsible, once relevant warrants are met, for the installation of a traffic signal at the full service curb cut on Winchester Pike. The commercial developer shall be responsible for those improvements along Winchester Pike (excluding the intersection of Winchester Pike and Hamilton Road) for those items committed to above at the time of development of the property which abuts the right of way.
