BACKGROUND: This legislation authorizes the Director of the Department of Development to enter into grant agreements with The Charitable Pharmacy of Central Ohio and the Central Ohio Diabetes Association for the provision of services for a twelve-month period. The total amount of these grants is \$35,000.00.

The legislation targets social service programs that fall into one or more of the City’s three priority areas including emergency and basic needs, employment and self-sufficiency, and social success for our residents and neighborhoods. The two agencies receiving funding include:

- The Charitable Pharmacy of Central Ohio to provide affordable and appropriate pharmacy services for income eligible individuals who are uninsured or underinsured for prescription medications.
- Central Ohio Diabetes Association for providing a detection & outreach program.

This funding will allow the agencies to continue much needed services.

Emergency action is necessary to avoid causing interruptions in the delivery of program services.

FISCAL IMPACT: Funding for these expenditures is allocated from the Emergency Human Services Fund portion of the Hotel Motel Tax Fund.
