BACKGROUND: This legislation authorizes the Director of the Department of Development to modify a grant agreement with the Columbus Urban League. The modification will provide additional funding for the Victim's Assistance Program for the 2009 program year. The Columbus Urban League received partial 2009 funding through an initial allocation from the Emergency Human Services

Fund. This modification will provide a supplemental allocation from the General Fund.

This ordinance represents a program funded following the Department of Development's application process. The legislation targets the Columbus Urban League's Victim's Assistance Program. This ordinance will provide to this program an additional \$6,341.00 from the General Fund for the 2009 program year.

This ordinance is presented as an emergency to allow program services to continue without interruption and to facilitate payment of accrued program expenses associated with operations.

FISCAL IMPACT: In 2009, a total of \$1,390,517.00 is allocated to fund social service programs through the General Fund. This ordinance will provide to the program an additional \$6,341.00 from the General Fund for the 2009 program year. The balance of funds available will be obligated through companion legislation.
