BACKGROUND: This legislation is for the option to establish three (3) Universal Term Contracts (UTC's) to be used by the Fleet Management Division to purchase Aftermarket Auto Parts and maintain the City's fleet of vehicles. The term of the proposed option contracts would be through December 31, 2017. The contracts may be extended for two (2) additional one (1) year terms subject to mutual agreement by both parties. The Purchasing Office opened formal bids on October 8, 2015.

The Purchasing Office advertised and solicited competitive bids in accordance with Chapter 329 (Solicitation SA006033). Three hundred and eight (MBR:5, M1A:2, F1:3) bids were solicited; Three (3) bid proposals (MBR:0, M1A:0, F1:0) were received. They are from Genuine Parts Company/NAPA Auto Parts, Automotive Distributors Co Inc., Skinner Diesel Service, Inc. All three offered a discount percentage off all items in their catalogs.

With the implementation of the City's e-catalogue the City has a unique opportunity to ensure agencies are continuously able to purchase the right product at the very best price. The e-catalogue provides an "amazon.com" type tool where an agency can enter the product they wish to purchase and immediately identify the specified product at the lowest price. Traditionally when bidding classes of products a UTC has been awarded to a single bidder whose products meet this City's technical specifications. Pricing was evaluated by analyzing frequently purchased items and/or for items that the City purchases in greater quantities. This makes it possible that even though the entire catalogue is awarded to a specific bidder their pricing may not be as low as another vendor. Catalogues can have hundreds if not thousands of products contained within them making it nearly impossible to definitively award an entire catalogue to a single bidder. The reason for the bid waiver is Columbus City Code does not provide the ability to make multiple awards for the same items. By waiving bidding Purchasing is able to place more than one of the overall lowest and best bidders on to the e-catalog, and agencies can shop for better pricing during the term of the contracts.

The Purchasing Office is recommending award to the overall lowest, responsive, responsible and best bidders as follows:

Genuine Parts Company / NAPA Auto Parts, CC#580254510 (Expires 10/28/2017), All Items:\$1.00

Automotive Distributors Co, Inc. CC#311145093 (Expires 1/27/2017), All Items:\$1.00

Skinner Diesel Service, Inc. CC#311132462 (Expires), All Items:\$1.00

Total Estimated Annual Expenditure: \$ 2,500,000.00

These companies are not debarred according to the Federal Excluded Parties Listing or the State Auditor's Findings for Recovery Database.

This ordinance is being submitted as an emergency because the current contract for Aftermarket Auto Parts will expire on December 31, 2015.

FISCAL IMPACT: Funding to establish this option contract is budgeted in the General Fund.
