**Background:** The City of Columbus has leased to Capitol South Community Urban Redevelopment Corporation (hereinafter “Capitol South”) certain property at 160 S. High Street, formerly part of the City Center Mall sites (now the “Columbus Commons”) for a term of 99 years, renewable forever. After conducting a competitive process, Capitol South has identified a nationally recognized developer, Carter, (the “Developer”) who is interested in developing the development tracts consisting of 0.484 acres and 1.1740 acres located along High Street (the “High Street Development Pads”) for residential and retail improvements. Capitol South proposes to release its leasehold interest as to the High Street Development Pads, acquire the City’s fee title to the High Street Development Pads and the City’s consent to and/or grant of the associated easements for future consideration arising from the terms of Operative Agreement between the City and Capitol South, as amended, entered into July 30, 2001, all of which conveyance shall be conditioned on the Developer proceeding to closing. Capitol South proposes to convey title to the High Street Development Pads to the Developer at closing for a purchase price of \$2 million and a potential excess profit participation which will be subject to the Operative Agreement. The Developer proposes to develop approximately 300 market rate apartments and 23,000 square feet of first floor retail space for lease in two, six-story buildings, and construct a tunnel for pedestrian access from the buildings to the underground Columbus Commons parking structure (the “High Street Project”).

The following legislation authorizes the Director of Finance to enter into a sale contract with Capitol South, to execute a quit claim deed to Capitol South conveying title to the High Street Development Pads, to execute joinders and consents to parking, utility, access, maintenance, setback, temporary construction and other associated easements necessary for the redevelopment, and to execute other pertinent documents.

**Fiscal Impact:** None. No expenditure of funds by the City is required.

**Emergency action** is requested to expedite the redevelopment of the Columbus Commons area.

To authorize the Director of Finance to enter into a sales contract providing for the conveyance of all of the City’s interest in a 0.4840 acre property and a 1.1740 acre property on South High Street, with associated easements, to Capitol South Community Urban Redevelopment Corporation; to execute a quit claim deed conveying such property and associated easements; to enter into and execute other documents pertinent to such conveyance; to the extent applicable, to waive the competitive bidding and Land Review Commission requirements of the Columbus City Codes; and to declare an emergency.

**WHEREAS**, the City of Columbus has previously leased to Capitol South Community Urban Redevelopment Corporation (hereinafter “Capitol South”) that 0.484 acre and 1.174 acre real property, situated generally north of Rich Street, east of and along High Street, and west of and along the Columbus Commons Park (hereinafter the “High Street Development Pads”), for a term of 99 years, renewable forever; and

**WHEREAS**, to facilitate redevelopment of the High Street Development Pads the City desires to release the High Street Development Pads from the operation of the leases, to convey the City’s fee interest in the High Street Development Pads to Capitol South, and to join in and consent to the related easements; and

**WHEREAS**, Capitol South will convey the High Street Development Pads to a development entity, the “Developer”, to be formed by Carter Development Services, LLC; and

**WHEREAS**, Developer proposes to develop approximately 300 market rate apartments and 23,000 square feet of retail space for lease in two, six-story buildings (the “High Street Project”); and

**WHEREAS**, an emergency exists in the usual daily operation of the City of Columbus in that it is immediately necessary to authorize the Director of Finance and Management execute those documents necessary to enter into and execute a sale contract together with utility, access, maintenance, setback, temporary construction and other associated easements to expedite the development of the Columbus Commons to provide residential and retail improvements for the immediate preservation of the public health, peace, property and safety; now, therefore:

**BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:**

**SECTION 1.** That the Director of Finance be and hereby is authorized to enter into and execute a sale contract, as approved by the City Attorney’s Office, Department of Law, Real Estate Division and providing generally for the sale of the City’s interest in the following described real property, together with utility, access, maintenance, setback, temporary construction and other associated easements to Capitol South for future consideration arising from the terms of Operative Agreement between the City and Capitol South, as amended, entered into July 30, 2001, making the sale conditioned on the contemporaneous conveyance of the real property to Developer for construction of the High Street Project.
