**Rezoning Application Z06-087**

**APPLICANT:** The Ellis Company, Ltd.; c/o Jeffrey L. Brown, Attorney; 37 West Broad Street, Suite 725; Columbus, OH 43215.

**PROPOSED USE:** Commercial development and self-storage.

**DEVELOPMENT COMMISSION RECOMMENDATION:** Approval (7-0) on May 10, 2007.

**CITY DEPARTMENTS' RECOMMENDATION:** Approval. The 4.2± acre site is developed with a religious facility and zoned in the CPD, Commercial Planned Development District allowing C-2 uses. The applicant is requesting the L-M, Limited Manufacturing District to allow specified C-4 uses and one manufacturing use, self-storage units. The proposed C-4 uses are limited to the eastern portion of the site, while the C-2 uses may occur anywhere on the site. There is screening required along the north, south and west boundaries, with the existing trees and vegetation within the 40 foot setback required to be maintained along the west boundary, except for the addition of evergreen trees adjacent to the building. There are landscaping, lighting, and building material standards. The applicant is committing to elevations for the building closest to Hamilton Road. The text and site plan provide appropriate use restrictions and development standards. The proposed use, as limited, is compatible with the development in the area.

To rezone **5327 NORTH HAMILTON ROAD (43230)**, being 4.2± acres located on the west side of North Hamilton Road, 500± feet north of Thompson Road, **From:** CPD, Commercial Planned Development District, **To:** L-M, Limited Manufacturing District. (Rezoning # Z06-087)

**WHEREAS**, application #Z06-087 is on file with the Building Services Division of the Department of Development requesting rezoning of 4.2± acres from the CPD, Commercial Planned Development District to L-M, Limited Manufacturing District; and

**WHEREAS**, the Development Commission recommends approval of said zoning change; and

**WHEREAS**, the City Departments recommend approval of said zoning change because the proposed use, as limited, is compatible with the development in the area. The text and site plan provide appropriate use restrictions and development standards. The proposed C-4 uses are limited to the eastern portion of the site, while the C-2 uses may occur anywhere on the site. There is screening required along the north, south and west boundaries, with the existing trees and vegetation within the 40 foot setback required to be maintained along the west boundary, except for the addition of evergreen trees adjacent to the building. There are landscaping, lighting, and building material standards. The applicant is committing to elevations for the building closest to Hamilton Road, now, therefore:

**BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:**

**3. DEVELOPMENT STANDARDS:** Unless otherwise specified in the following text, the Development Standards shall be as specified in Chapter 3363 of Columbus City Code (M, Manufacturing District).

A. Density, Height, Lot and/or Setback commitments.

1. The parking setback shall be 30 feet from Hamilton Road; building setback shall be 60 feet from Hamilton Road.
2. The building and parking setbacks from the north property line shall be 20 feet; the building and parking setback from the west property line shall be 40 feet, and the building and parking setbacks from a portion of the south property line (beginning at the southwest corner of the site and extending eastward along the south property line a distance of 580 +/- feet) shall be 10 feet.

B. Access, Loading, Parking and/or other Traffic related commitments.

1. Access for the adjacent parcel to the north to Hamilton Road shall not require a motorist to go thru a gate.
2. If C-4 uses exceed 4,000 sq. ft., a right turn lane shall be provided on Hamilton Road to the specifications of the City of Columbus Transportation Division.

C. Buffering, Landscaping, Open space and/or Screening commitments.

1. A tree row shall be established along Hamilton Road containing one tree spaced every 30' along roadway. Trees shall be planted approximately 1' from road right-of-way and shall have a minimum caliper of 2 ½" on planting.
2. The parking setback along Hamilton Road, shall be screened from adjacent public right-of-way with a 3-4' average height continuous planting hedge, or earth mound and one tree per 40' of boundary of vehicular area or fraction thereof. The tree requirement is in addition to the street tree requirement along Hamilton Road. Trees do not have to be equally spaced but may be grouped. The developer shall also install a 4 rail white horse fence along its frontage of Hamilton Road within the setback area.
3. One tree shall be planted for every 10 parking spaces. Trees shall be planted in islands or medians at least 5 feet wide.
4. A six foot tall wood board on board fence shall be installed beginning at the east end of building C extending eastward 104+/- feet to the corner of the site and then extending northward approximately 90 feet. This installation is subject to the approval of CSOE which has an easement which crosses this area.
5. Mounding shall have a slope of at least 3 to 1 width to height ratio.
6. All trees and landscaping shall be well maintained. Dead items shall be replaced within six months or the next planting season, whichever occurs first.
7. All trees meet the following minimum sizes at the time of planting: Shade trees 2 ½" caliper; Ornamental trees 1 ½" caliper; Evergreen trees 5 feet in height. Trees caliper is measured six (6) inches from the ground.
8. Beginning at the northeast corner of Building E and extending westward to the northwest corner of Building B except in the area of the access easement to the property to the north; the developer shall install a row of evergreen eight feet on center within the setback area along the north property line. In areas along the north property line where there is substantial existing vegetation which is being maintained, no evergreens trees shall be required. Beginning at the southwest corner of Building B and extending eastward to the southeast corner of Building C the developer shall install a row of evergreen trees 8 feet on center within the setback area along the south property line. In areas where there is substantial existing vegetation which is being maintained, no evergreens trees shall be required. The installation of such landscaping is subject to the approval of CSOE which has an easement which crosses this area.
9. The existing vegetation within the setback area along the west property line shall be maintained except in the area within 10 feet of Building B where the developer shall install a row of evergreens 8 feet on center adjacent to Building B.
10. All areas of existing vegetation to function as a landscape screening or buffer will be clearly delineated and differentiated from proposed new landscaping or buffer on the site plan submitted for zoning clearance.

**D. Building design and/or Interior-Exterior treatment commitments.**

1. Building E shall be developed in accordance with the submitted building elevation and finished with brick on all four sides. Elevations may be slightly adjusted to reflect engineering, architectural detailing or other building data developed at the time of development and engineering and building plans are completed. Any slight adjustment to the elevations shall be reviewed and may be approved by the Director of the Department of Development or his designee upon submission of the appropriate data regarding the proposed adjustment. The first 100 linear feet of the north side of Building A beginning at that building's northeast corner and of the south side of Building C beginning at that building's southeast corner shall be brick.
2. Any mechanical equipment or utility hardware on the roof of a building shall be screened from view to prevent the equipment from being visible from the property line of the parcel. Ground mounted mechanical or utility equipment shall be fully screened from view from ground level by landscaping or any fence or wall utilizing comparable and compatible materials as the building materials.
3. All doors in Buildings A, B and C shall face the interior of the site.

**E. Dumpsters, Lighting, Outdoor display areas and/or other environmental commitments.**

1. Light Standards shall not exceed 28 feet in height except in the area west of Building E where the maximum light standard shall not exceed 14 feet in height.
2. Lights shall have fully shielded, recessed lamps directed downward to prevent glare and shine above the horizontal plane.
3. There will be no exterior lights on the perimeter of buildings A, B and C.

4. For aesthetic compatibility, lights shall be from the same or similar type and color. In parking lots, lighting shall be placed in raised islands or medians to protect both lights and vehicles from damage.

5. Notwithstanding the above requirements the building may be illuminated by light fixtures, which are attached to the light poles in the parking lot.

6. Dumpsters shall be screened on three sides with a fence, wall or landscaping to a height of six feet or a height equal to that of the dumpster whichever is greater with a gate on the fourth side

7. Wiring within the development shall be underground.

F. Graphics and Signage commitments.

1. All graphics and signage shall comply with the Graphics Code, Article 15, Title 33 of the Columbus City Code as it applies to the C-4 Commercial District and any variance to the sign requirements shall be submitted to the Columbus Graphics Commission for consideration. The ground sign shall be monument style sign with a maximum height of six feet.

G. Miscellaneous commitments.

1. At the time of development the developer shall install a sidewalk along its Hamilton Road frontage.

2. There will be no on site resident manager.

3. A maximum of two rental trucks shall be permitted on the property (maximum size 20 foot box truck) such trucks shall be parked behind the entry fence unless the truck is being picked up by a customer.

4. The subject site shall be developed in accordance with the site plan. The site plan may be slightly adjusted to reflect engineering, topographical or other site data developed at the time that development and engineering plans are completed. Any slight adjustment to the site plan shall be reviewed and may be approved by the Director of the Department of Development or his designee upon submission of the appropriate data regarding the proposed adjustment.

5. All the buildings shown on the site plan shall be built as one overall development.

**SECTION 4.** That this ordinance shall take effect and be in force from and after the earliest period allowed by law.
