Rezoning Application Z16-028

APPLICANT: Hamilton Crossing, LLC; c/o Charles Fraas, Agent; 250 Civic Center Drive, Suite 500; Columbus, OH 43215; and Aaron L. Underhill, Atty.; 8000 Walton Parkway, Suite 260; New Albany, OH 43054.

PROPOSED USE: Commercial development.

DEVELOPMENT COMMISSION RECOMMENDATION: Approval (5-0) on July 14, 2016.

CITY DEPARTMENTS' RECOMMENDATION: The site is currently undeveloped and zoned in the CPD, Commercial Planned Development District (Z14-044) and L-C-4 Limited Commercial District (Z98-029A). The applicant proposes the CPD, Commercial Planned Development District to revise the current development texts to alter site density, setback, and height requirements in order to provide a uniform development that is consistent with nearby properties that were recently rezoned. The development text allows uses permitted in the C-4, Commercial District with several restrictions. The text includes provisions for height limits, setback requirements and development standards that provide compatibility with adjacent properties. Variances for reduced setbacks, to allow parking lots to be divided by parcel lines, and for increased light pole height are included in the request. The site is located within the boundaries of the *Northland Plan, Volume II* (2002), which recommends mixed-use development for this location. The permitted uses of this CPD are consistent with this recommendation, and the provisions of the CPD text will ensure that future development is compatible with adjacent properties.

To rezone **5995 NORTH HAMILTON ROAD (43081)**, being 8.43± acres located at the southwest corner of North

Hamilton Road and State Route 161, From: CPD, Commercial Planned Development District, and L-C-4 Limited Commercial District, To: CPD, Commercial Planned Development District (Rezoning # Z16-028).

WHEREAS, application No. Z16-028 is on file with the Department of Building and Zoning Services requesting rezoning of 8.43± acres from CPD, Commercial Planned Development District, and L-C-4 Limited Commercial District, to CPD, Commercial Planned Development District; and

WHEREAS, the Development Commission recommends approval of said zoning change; and

WHEREAS, the City Departments recommend approval of said zoning change because the requested CPD, Commercial Planned Development District, is consistent with the land use recommendations of the *Northland Plan, Volume II*, for mixed-use development. The requested CPD zoning classification would revise the existing development texts to update site density, setback, and height requirements which will result in a uniform development; now, therefore:
