The Department of Public Safety is in the process of establishing voice, data and video connectivity to various Public Safety facilities. **EMERGENCY:** Emergency designation is requested in order to begin installation as soon as possible to provide fast and efficient communications to the locations needed.

**FISCAL IMPACT:** This legislation will allow for the expenditure of \$88,985.60 for the installation of fiber optic cabling in the Hilltop and Police Precinct 12 areas and \$25,547 for prevailing wage provisions in the Police Property Room Project. This ordinance will also amend the 2011 Capital Improvement Budget and transfer funds between projects in the Safety Bond Fund.
