1. BACKGROUND: Ohio EPA requires this legislation which authorizes the Director of Public Utilities to execute up to sixteen (16) Water Supply Revolving Loan Account (WSRLA) Loan Agreements totaling approximately \$100 million, for construction of up to sixteen (16) water system projects as identified in Section 1, under the direction of the Division of Water (DOW). These Capital Improvements Projects have been nominated and await OEPA's approval for financing through the Water Supply Revolving Loan Account (WSRLA) program in Program Year 2017 which runs from July 1, 2016 through June 30, 2017. This loan program is jointly administered by the Ohio EPA's Division of Environmental and Financial Assistance (DEFA) and the Ohio Water Development Authority (OWDA). The WSRLA program provides below-market interest rate loans for municipal water system improvements.

2. FISCAL IMPACT: All Loan Administration Fees will be rolled into each loan upon execution of the Loan Agreements. These WSRLA loans will be paid off over a 20-year period from water service rates (the dedicated source of repayment). Water service rate increases have been projected and planned in anticipation of these projects and loans.

To authorize the Director of Public Utilities to apply for, accept, and enter into up to sixteen (16) Water Supply Revolving Loan Account Loan Agreements with the Ohio Environmental Protection Agency and the Ohio Water Development Authority, during Program Year 2017, for the construction of water distribution and supply system improvements; and to designate a repayment source for the loans.

WHEREAS, in Program Year 2017 the Department of Public Utilities is scheduled to prepare Loan Applications for submittal to the Ohio EPA under the Water Supply Revolving Loan Account (WSRLA) program to finance the construction of up to sixteen Capital Improvement Projects under the direction of the Division of Water, the financial assistance for which may be of help in reducing total project costs to the City's water rate payers; and

WHEREAS, the low-interest loans will be applied for based upon the availability of funds through the Ohio EPA's WSRLA program and executed upon approval of the Loan Applications by Ohio EPA; and

WHEREAS, the WSRLA Loan Application and Loan Agreement documents require the City to submit to the Ohio EPA a certified copy of approved City Council legislation authorizing the Director of the Public Utilities Department to apply for and subsequently execute the WSRLA agreement(s); Now Therefore:

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:
