BACKGROUND: The purpose of this legislation is to authorize the Director of Finance and Management to establish purchase orders for the purchase of Light Duty Trucks from an established Universal Term Contract, FL004803, with Ricart Properties, Inc. The Light Duty Trucks to be purchased are as follows: three (3) 3/4 ton pick-up trucks; three (3) 1/2 ton pick-up trucks; and one (1) 1 ton pick-up truck. The trucks will be used throughout the Division of Power and Water for daily operations and will replace older vehicles as approved by the City of Columbus Fleet Management Division. Criteria used to select vehicles in need of replacement include whether the vehicle is older than ten (10) years, has over 100,000 miles, and if running maintenance cost to date has been greater than the acquisition cost.

All the trucks are Flex Fuel (E85 Fuel) and one of the 1/2 ton pick-up trucks will have an Eco Boost V6 engine for reduced pollution emissions.

The universal term contract expires on September 30, 2011.
