Background: Working with Recreation and Parks, the Real Estate Management Office engaged in a space planning project to assess Recreation and Parks office areas and staffing needs at 1111 East Broad Street to improve space utilization to accommodate current and projected increases in staffing. A professional designer was retained to analyze existing space layouts, prepare a design plan, and to select appropriate office furnishings to be purchased to meet the needs of Recreation and Parks. The Purchasing Office advertised and solicited competitive bids for office furniture in accordance with the relevant provisions of City Code Chapter 329 relating to competitive bidding via RFQ024854. The City received three bid responses two of which were deemed eligible as follows:

| | |
|---------------------------------------|--------------|
| Workspace Ohio LLC; DBA Dupler Office | \$155,297.43 |
| Tarazi LLC | \$982,891.00 |

Workspace Ohio LLC, DBA Dupler Office, City certified WBE, was responsive to all specifications, except they inadvertently responded with their standard price hold of thirty (30) days rather than the one hundred eighty (180) day price hold specified in RFQ024854. Workspace Ohio LLC, DBA Dupler Office (Dupler) has agreed to remove the thirty (30) day price hold, and agreed to the price hold requirement of one hundred eighty (180) day as specified in RFQ024854. Due to the offer of a thirty (30) day price hold by Dupler, a bid waiver is necessary. This legislation authorizes the Director of Finance and Management to enter into a contract with Workspace Ohio LLC, DBA Dupler Office for the purchase, delivery and installation of office furniture in accordance with the specifications of RFQ024854; to appropriate and expend up to \$155,297.43 from Fund 7748, the General Permanent Improvement Fund; and to declare an emergency.

Fiscal Impact: Funding for the purchase is available and shall be from the General Permanent Improvement Fund 7748 (\$155,297.43). An amendment to the 2023 Capital budget will be necessary and is contingent upon the passage of the 2023 Capital Improvement Budget.

Emergency Justification: Due to supply chain issues, long lead times are required from the date of order to the delivery of the furniture. Emergency action is requested to ensure that needed office furniture can be ordered at the earliest date possible so that the project can be completed within a reasonable time frame so that Recreation and Parks can occupy the redesigned office space as soon as possible.

To authorize the Director of Finance and Management to enter into a contract with Workspace Ohio LLC; DBA Dupler Office, for the purchase of office furniture; to appropriate and expend a total of \$155,297.43; to waive competitive bidding provisions of the Columbus City Codes; to amend the 2023 Capital Improvement Budget; and to declare an emergency (\$155,297.43).

WHEREAS, reconfiguration and replacement of furniture in the Recreation and Parks Department on the second floor of the 1111 East Broad Street is required to accommodate Department growth and the hiring of additional staff; and

WHEREAS, a professional designer was retained to prepare a design plan and to select appropriate office furnishings to be purchased for this area; and

WHEREAS, a formal bid was issued through the City’s Purchasing Office via RFQ024854 in order to determine the best vendor for this furniture purchase; and

WHEREAS, a bid waiver is necessary solely to address the discrepancy in the price hold response in order to award RFQ024854 to Workspace Ohio LLC; DBA Dupler Office; and

WHEREAS, it is in the best interest of the City to waive competitive bidding for this purchase solely to addresses the discrepancy in the price hold response; and

WHEREAS, it is necessary to amend the 2023 Capital Improvement Budget; and

WHEREAS, it is necessary to appropriation, transfer and expenditure of funds within the General Permanent Improvement Fund; and

WHEREAS, an emergency exists in the usual daily operation of the Department of Finance and Management in that it is immediately necessary to authorize the Director to award and enter into a contract with Workspace Ohio LLC, DBA Dupler Office, for the purchase of office furniture for redesigned office space located on the second floor of 1111 East Broad Street to allow for occupancy by the Recreation and Parks Department to address supply chain issues resulting in, long lead times from the date of order to the delivery of the furniture all for the immediate preservation of the health, peace, property, safety and welfare; **NOW, THEREFORE:**
