BACKGROUND:

This legislation authorizes the Director of Public Utilities to enter into an Annexation Agreement with Perry Township, Franklin County. The purposes of the Agreement are to clarify and expand Perry Township territory eligible for centralized water and sewer service; resolve issues caused by “overlapping parcels” which lie within both Perry Township and Columbus; and provide clarity regarding future growth areas for both jurisdictions. The Agreement includes timelines for implementation of key provisions. The Agreement will resolve overlapping parcels through a combination of detachment and boundary conformance. Boundary conformance will apply automatically to future Columbus annexations in Perry Township.

FISCAL IMPACT: There is no fiscal impact from the Agreement.
