Background: This ordinance authorizes the Finance and Management Director to enter into an agreement for the option to establish two (2) UTC contracts for Structural Firefighter Boots for the Division of Fire. The term of the proposed option contracts are through September 30, 2019. The contracts may be extended for up to two additional one (1) year periods, subject to mutual agreement by both parties. The Purchasing Office opened formal bids on September 29, 2016.

The Purchasing Office advertised and solicited competitive bids in accordance with the competitive bid section of the City Code (Solicitation RFQ002869). Two (2) bids were received.

The Purchasing Office is recommending award to the overall lowest, responsive, responsible, and best bidders as follows:

Phoenix Safety Outfitters: CC007915; Items 1 & 3; \$1.00

The Fire House: CC004508; Item 2; \$1.00

Total Estimated Annual Expenditure: \$50,000.00.

These companies are not debarred according to the Excluded Party Listing System of the Federal Government or prohibited from being awarded a contract according to the Auditor of State Unresolved Findings for Recovery Certified Search.

This ordinance is being submitted as an emergency because without emergency action Structural Firefighter Boots, which is detrimental to the safety of the employees of the Division of Fire, would be delayed and Structural Firefighter Boots are required based on labor agreements.

Fiscal Impact: Funding to establish these option contracts are from the General Fund. City agencies will be required to obtain approval to expend from their own appropriations for their estimated annual expenditures.

WHEREAS, Structural Firefighter Boots are necessary for the safety of the employees of the Division of Fire; and

WHEREAS, the Purchasing Office advertised and solicited formal bids on September 29, 2016 and selected the lowest, responsive, responsible and best bidders; and

WHEREAS, this ordinance addresses Purchasing objectives of 1) maximizing the use of City resources by obtaining optimal products/services at low prices and 2) encouraging economic development by improving access to City bid opportunities and 3) providing effective option contracts for City agencies to efficiently maintain their supply chain and service to the public; and
