BACKGROUND: This ordinance authorizes payment of prisoner medical bills to Grant/Riverside Methodist Hospitals for the Division of Police. The Division of Police is responsible for medical care provided to prisoners in police custody. The Division of Police works with the City Attorney's office to determine if individuals were incarcerated or in the custody of the Division of Police during the specified dates of services on the medical invoices.

Contract Compliance: 31-4394942 - NPO

Emergency Designation: Emergency legislation is requested for this ordinance in order to pay outstanding prisoner medical bills in a timely matter. Original bills were more than \$80,000.00; Grant/Riverside has given the Division a discount as long as we pay in a timely matter.

FISCAL IMPACT: This ordinance authorizes an expenditure of \$40,505.06 from the General Fund for payment of prisoner medical bills to Grant/Riverside Hospitals. The Division of Police budgeted \$375,000.00 in the 2010 General Fund Budget for medical services for prisoners. Thus far in 2010, \$226,980.00 has been encumbered or expended for such medical claims. The Division spent or encumbered \$468,652.00 for prisoner medical bills in 2009.

To authorize and direct the Director of Public Safety to authorize payment of prisoner medical bills to Grant/Riverside Hospitals for the Division of Police, to authorize the expenditure of \$40,505.06 from the General Fund; and to declare an emergency. (\$40,505.06)
