This legislation authorizes the Director of Public Utilities to renew a contract with Superior Building Services, LLC for boiler maintenance services for the Division of Sewerage and Drainage (DOSD) and the Division of Water (DOW). DOSD facilities served by the contract are the Sewer Maintenance Operations Center and Southerly and Jackson Pike Wastewater Treatment Plants. The current contract (first renewal) expires on August 15, 2024. DOW facilities served are the Dublin Road and Hap Cremean Water Plants. Other department facilities may be added in the future.

The work under this contract mainly concerns boilers and their associated equipment and systems that require inspection, testing, troubleshooting, chemical addition and balancing, maintenance, and repair or replacement of failed components, burner replacement at the SWWTP Central Storage Building. The work may also include updating software and firmware for the various boiler system heating units or any boiler-associated equipment. Maintenance and repair of piping systems and fees for state inspections are also considered part of the boiler system and therefore under the scope of the contract work.

The Department of Public Utilities (DPU) solicited competitive bids for the services in accordance with the relevant provisions of Chapter 329 of City Code. RFSQ21623 was opened on May 18, 2022 and two (2) bids were received. Superior Building Services, LLC was determined to be the lowest, responsible and responsive bidder.

The contract was bid as a one (1) year contract with the option for three (3) additional years. These would be executed as annual renewals and contingent upon mutual agreement of the parties, availability of budgeted funds, and approval by City Council. If unforeseen issues or difficulties are encountered that require additional funding, a modification would be requested. This ordinance is for the second renewal of the contract. The current contract (the first renewal) expires August 15, 2024. If all renewals are executed, the agreement would expire in September of 2026.

1. Amount of additional funds: The total amount of additional funds needed for this contract renewal #2 is \$586,250.00.
2. Reason additional funds were not foreseen: n/a - additional funds were expected as part of the first and second authorized renewals.
3. Reason other procurement processes were not used: Regular procurement processes were utilized and this is the second year of three authorized renewal options.
4. How was cost determined: The renewal is based upon estimated requirements for 2024 at rates established in the existing contract
