Rezoning Application Z15-022

APPLICANT: N.P. Limited; c/o Dave Perry, Agent; David Perry Co., Inc.; 145 East Rich Street, 3rd Floor; Columbus, OH 43215; and Donald Plank, Atty.; Plank Law Firm; 145 East Rich Street, 3rd Floor; Columbus, OH 43215.

PROPOSED USE: Multi-unit residential development.

DEVELOPMENT COMMISSION RECOMMENDATION: Approval (5-0) on December 10, 2015.

CITY DEPARTMENTS' RECOMMENDATION: Approval. The site is developed with a single-unit dwelling in the R, Rural District, and undeveloped land in the L-C-4, Limited Commercial District. The requested L-AR-3, Limited Apartment Residential District will permit 139 apartment units (11.01 units/acre) and/or an assisted living facility. The site is within the planning area of *The Far North Area Plan* (2014), which recommends "Very Low Density Residential" uses, with the option of up to 8 units/acre of multi-unit residential development for the R district portion of the site, and Regional Mixed Use development, including higher density multi-unit residential development for the L-C-4 district portion of the site. The Plan includes a number of design-related recommendations that are applicable to this location, including preservation and protection of natural resources, and site access. The limitation text includes provisions for maximum number of units, setbacks, building height, tree preservation, street trees, landscaping/screening, building materials, garage orientation, and a commitment to a site plan that reflects setbacks, access, and the Stream Corridor Protection Zone. The proposed use and density are consistent with the recommendations of *The Far North Area Plan*, and Staff recognizes that this development can serve as a good transitional use between the low-density residential development in Orange Township and the regional commercial development to the south, while preserving natural

resources. The project also includes companion Council Variance No. CV15-063 (ORD No. 0619-2016) to allow a parcel line to divide the site development area, no fronting for a potential new parcel, and reduced perimeter yard.

To rezone **3780 EAST POWELL ROAD (43035)** being 12.63± acres located on the southwest side of East Powell Road, 480± feet north of Worthington Road, **From:** R, Rural and L-C-4, Limited Commercial Districts, **To:** L-AR-3, Limited Apartment Residential District **and to declare an emergency** (Rezoning # Z15-022).

WHEREAS, application No. Z15-022 is on file with the Department of Building and Zoning Services requesting rezoning of 12.63± acres from R, Rural and L-C-4, Limited Commercial Districts, to L-AR-3, Limited Apartment Residential District; and

WHEREAS, the Development Commission recommends approval of said zoning change; and

WHEREAS, the City Departments recommend approval of said zoning change because the L-AR-3, Limited Apartment Residential District will permit a 139-unit apartment development with appropriate development standards. The proposed use and density are consistent with the recommendations of *The Far North Area Plan*, and Staff recognizes that this development can serve as a good transitional use between the low-density residential development in Orange Township and the regional commercial development to the south, while preserving natural resources; and

WHEREAS, an emergency exists in the usual daily operation in the City of Columbus in that it is immediately necessary to pass this ordinance to begin construction as soon as possible for the immediate preservation of the public peace, property, health and safety; now, therefore:

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That the Official Zoning Map of the City of Columbus, as adopted by Ordinance No. 0179 -03, passed February 24, 2003, and as subsequently amended, is hereby revised by changing the zoning of the property as follows:

DATE OF TEXT: December 22, 2015

APPLICATION NUMBER: Z15-022

INTRODUCTION:

The subject property is 12.627 +/- acres located on the west side of E. Powell Road, 400 +/- feet north of Worthington-Galena Road. Applicant proposes to develop the site with a multi-family residential and/or assisted living facility use(s). Either or both uses shall be permitted. The plan titled "Zoning Exhibit 3780 E Powell Road, Columbus, OH 43065", hereafter "The Plan", dated December 22, 2015, and referenced in Section 2.G. of this text, depicts the planned points of access to the property and minimum perimeter setbacks. See the following text for additional setback standards. Council Variance application CV15-063 is a companion ordinance with this rezoning for applicable variances.

1. PERMITTED USES: The permitted uses of the site shall be multi-family residential development, and accessory uses and structures, as permitted in Section 3333.03, AR-3, Apartment Residential District Use, and/or an "assisted living facility", and accessory uses and structures. For purposes of this ordinance, "assisted living facility" shall mean "Home for the Aging", "Rest Home" and/or "Nursing Home", all as defined in Chapter 3303, Definitions, and Sections 3303.08, Letter H, 3303.14, Letter N, and 3303.19, Letter S, and as permitted in Section 3333.03, AR-3, Apartment Residential District Use of the Columbus City Code.

2. DEVELOPMENT STANDARDS: Except as specified herein, the applicable development standards of Chapter 3333, Apartment Residential Districts, Chapter 3312, Off-Street Parking and Loading and Chapter 3321, General Site Development Standards of the Columbus City Code shall apply. Council variance application CV15-063 is a companion ordinance to this rezoning and modifies certain development standards, as itemized in the variance ordinance.

A. Density, Height Lot and/or Setback Commitments.

1. There shall be a maximum of 139 dwelling units on the 12.627 +/- acre site, hereafter “The Site”. Density shall not exceed 11 dwelling units/acre, including per net acre if only part of the site is developed with a multi-family residential use. An “Assisted living facility” shall not be considered to be one or more dwelling units.

2. The following shall regulate the setback and height of buildings in relation to the north property line, as noted on The Plan:

a. Subject to a variance (CV15-063) to reduce the perimeter setbacks noted on The Plan to 15’ and 20’, detached garages may be built at a 15’ and 20’ setback from the property line, where noted on The Plan.

b. Other than detached garages, buildings shall be setback from the north property line as follows:

1. A one (1) story building shall be setback a minimum of 25 feet.

2. A two (2) story building shall be setback a minimum of 50 feet.

3. A three (3) story building shall be setback a minimum of 65 feet.

3. The following shall regulate the setback and height of buildings in relation to the west property line, as noted on The Plan:

a. Detached garages, one (1) story and (2) story buildings may be built at the 60 foot west setback line.

b. A three (3) story building shall be setback a minimum of 65 feet from the west property line.

4. The maximum ridge height of all detached garages shall be 15’.

B. Access, Loading, Parking and/or Traffic Related Commitments.

1. There shall be a minimum of two (2) vehicular access points to The Site. If both permitted uses are developed, each use may only have one (1) direct vehicular access point off-site, but easements shall be reserved as needed to provide common circulation between the use areas to permit the use of access points to E. Powell Road and also vehicular access to the south for both uses. If both permitted uses are developed, separate parcels will be required and the west parcel may not have street frontage (See CV15-063).

2. The internal private streets shall be designed to discourage cut-through traffic between the Powell Road curbcut and vehicular connection to the south. It is anticipated the vehicular connection to the south will be a private street.

3. Prior to the approval of a site compliance plan, the developer shall complete a traffic study and shall make any required improvements defined by this traffic study, which shall be reviewed and approved by the Delaware County Engineer’s Office.

C. Buffering, Landscaping, Open Space, and/or Screening Commitments.

1. Within the minimum setbacks depicted on The Plan, and subject to reduction of the perimeter setback for detached garages (CV15-063), as noted on The Plan, existing trees of 5” caliper or greater shall be preserved except where utility connections and vehicular connections require removal.

2. Street trees shall be provided along the Powell Road frontage at the rate of one (1) tree per 40 lineal feet.

3. Within the north setback, evergreen trees shall be planted at approximately 20 feet on center, with spacing adjusted for

trees to be preserved, if any, and also for placement of detached garage buildings.

D. Building design and/or Interior-Exterior treatment commitments.

1. Primary building materials shall be traditional and natural in appearance and shall consist of stone, stucco, brick, hardiplank, or comparable, and/or vinyl siding or combination of same. No building, except detached garages, shall have an exterior finish of more than 50% vinyl siding. Exposed smooth face block is not permitted.
2. Primary building roof(s) shall be pitched and have a minimum slope of 6:12. Roofs on detached garages, one story components or primary buildings and porch roofs are not subject to the minimum 6:12 roof pitch and may use flat roofs.
3. All buildings, except detached garages, shall have four sided architecture and shall have the same level and quality of exterior finish on all sides.
4. On detached garage buildings located at a reduced setback in the perimeter setbacks, as permitted by CV15-063, all doors for car parking space bays shall be located on the interior side of the garage buildings.

E. Dumpsters, Lighting, Outdoor Display Areas and/or Environmental Commitments.

All new or relocated utility lines on-site shall be installed underground unless the applicable utility company directs or requires otherwise.

F. Graphics and Signage Commitments.

All graphics shall conform to Article 15 of the Columbus Graphics Code, as it applies to the AR-3, Apartment Residential District. All signage shall be monument style or shall be incorporated into an entrance feature. Any variance to the applicable sign requirements of the AR-3, Apartment Residential District shall be submitted to the Columbus Graphics Commission.

G. Miscellaneous.

1. The developer shall comply with applicable monetary payment requirements of Chapter 3318, Parkland Dedication, Columbus City Code.
2. The 12.627 +/- acres being rezoned consists of approximately 7.181 acres in Delaware County Auditor tax district/tax parcel 46-31844104005000 and approximately 5.446 acres in tax district/tax parcel 45-3184420202500. The two tax districts, 45 and 46, cannot be combined. For all purposes with development of the site, the tax district line shall be disregarded as permitted by CV15-063.
3. The plan titled "Zoning Exhibit, 3780 E Powell Road, Columbus, OH 43065", hereafter "The Plan", dated December 22, 2015, and signed by David B. Perry, Agent, and Donald Plank, Attorney, depicts approximate points of access to the property and minimum perimeter setbacks. The plan may be slightly adjusted to reflect engineering, topographical, or other site data developed at the time final development and engineering plans are completed. Any slight adjustment to any of the drawings shall be reviewed and may be approved by the Director of the Building and Zoning Services Department or his designee upon submission of the appropriate data regarding the proposed adjustment.
4. See also CV15-063.

SECTION 4. ~~That this ordinance shall take effect and be in force from and after the earliest period allowed by law. That for the reasons stated in the preamble hereto, which is hereby made a part hereof, this ordinance is hereby declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the Mayor or 10 days after its passage if the Mayor neither approves nor vetoes the same.~~
