BACKGROUND: The need exists to enter into an Enterprise Zone Agreement with 1086 North Fourth St. LS, LLC and Lykens Companies LLC. The Ohio Enterprise Zone law (Section 5709.62(C) of the Ohio Revised Code) requires the City to enter into Council-approved agreements between the City and participating companies.

1086 North Fourth St. LS, LLC is a real estate holding company that was recently created for the sole purposes of acquiring, owning, renovating, redeveloping and converting an old manufacturing facility into a productive mixed-use facility. Lykens Companies LLC is a locally owned business that has specialized in residential and commercial real estate development since 1999. The company serves urban communities of Central Ohio with an eye toward historical preservation. Their goal is to provide its clients with new innovative designs that accommodate their needs, budgets, and lifestyles while maintaining whatever made that specific property special in the first place. Both aforementioned companies are owned and operated by Kevin Lykens.

1086 North Fourth St. LS, LLC proposes to invest a total project cost of approximately \$5,456,375, which includes \$4,756,375 in real property improvements and another \$300,000 in improvements for retail space, \$200,000 in machinery and equipment, \$200,000 in furniture and fixtures to renovate, redevelop and convert a vacant manufacturing facility (known as The Budd Dairy Building) into a new mixed-use Class A commercial office. The proposed mixed-use facility will contain approximately 35,000 sq. ft. +/- of new Class A office space, which will include an Entrepreneurial center and a co-working space, and approximately 5,451 sq. ft. +/- of retail space at 1086 N. 4th Street Columbus, Ohio 43201, parcel number 010-009127. Lykens Companies LLC will be one of the office tenants and employer of record, and enter into a lease agreement with 1086 North Fourth St., LS to expand and relocate its corporate headquarters from 1020 Dennison Avenue, Suite 102 Columbus, Ohio 43201 to the proposed project site. Additionally, Lykens Companies LLC will retain 10 full-time employees with an annual payroll of approximately \$410,000 and create 6 new full-time

permanent positions with an estimated annual payroll of approximately \$180,000.

The Department of Development recommends an Enterprise Zone property tax abatement of seventy-five percent (75%) for a period of ten (10) consecutive years on real property improvements for the purpose of renovating and converting a vacant manufacturing facility into approximately 35,000 +/- square feet of Class A office space at 1086 N. 4th Street, Columbus, Ohio 43201.
