BACKGROUND: For the option to establish a UTC contract to purchase Wemco Pump Parts for the Division of Sewerage and Drainage, the largest user. The term of the proposed option contract would be two (2) years, expiring June 30, 2010, with the option to renew for one (1) additional year. The Purchasing Office opened formal bids on February 28, 2008.

The Purchasing Office advertised and solicited competitive bids in accordance with Section 329.06 (Solicitation No. SA002799). Twenty-two (22) bids were solicited: (M1A-0, F1-0, MBR-1). Two bids were received (F1-1).

The apparent low bidder with local bidder credit was deemed non-responsive for failure to submit a price list as required. Without a

price list, no prices for the many replacement parts needed for the 6 different Wemco pumps current in use in the Division of Sewerage and Drainage could be established. The next low bidder, Envirotech Pumpsystems, Inc. dba Weir Speciality Pumps submitted price lists as required and is acceptable. The Purchasing Office is recommending award to the lowest, responsive, responsible and best bidder:

Envirotech Pumpsystems, Inc. dba Weir Speciality Pumps, MAJ, CC# 87-0529231 expires 3/3/10, \$1.00
Total Estimated Annual Expenditure: \$25,000.00, Division of Sewerage and Drainage, the largest user

The company is not debarred according to the Excluded Party Listing System of the Federal Government or prohibited from being awarded a contract according to the Auditor of State Unresolved Findings for Recovery Certified Search. This ordinance is being submitted as an emergency because, without emergency action, no less than 37 days will be added to this procurement cycle and the efficient delivery of valuable public services will be slowed.

FISCAL IMPACT: Funding to establish this option contract is budgeted in the Purchasing UTC Account. City Agencies will be required to obtain approval to expend from their own appropriations for their estimated annual expenditures.

To authorize and direct the Finance and Management Director to enter into a contract for the option to purchase Wemco Pump Parts with Envirotech Pumpsystems, Inc. dba Weir Speciality Pumps, to authorize the appropriation and expenditure of \$1.00 to establish the contract from the Purchasing UTC Account, and to declare an emergency. (\$1.00).

WHEREAS, the Purchasing Office advertised and solicited formal bids on February 28, 2008 and selected the lowest, responsive, responsible and best bidder; and

WHEREAS, this ordinance addresses Purchasing objective of 1) maximizing the use of City resources by obtaining optimal products/services at low prices and 2) encouraging economic development by improving access to City bid opportunities and 3) providing effective option contracts for City agencies to efficiently maintain their supply chain and service to the public; and

WHEREAS, in order to maintain a supply of Wemco Pump Parts, this is being submitted for consideration as an emergency measure; and

WHEREAS, an emergency exists in the usual daily operation of the Purchasing Office in that it is immediately necessary to enter into a contract for an option to purchase Wemco Pump Parts, thereby preserving the public health, peace, property, safety, and welfare; now, therefore,

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That the Finance and Management Director be and is hereby authorized and directed to enter into the following contract for the option to purchase Wemco Pump Parts in accordance with Solicitation No. SA002503 for a term of approximately two (2) years, expiring June 30, 2010, with the option to renew for one (1) additional year, as follows:

Envirotech Pumpsystems, Inc. dba Weir Speciality Pumps, All Items, Amount: \$1.00
