1. BACKGROUND:

This legislation authorizes the Director of Public Utilities to enter into modification (Mod #1) agreement for construction administration and inspection services with DLZ Ohio, Inc. for the Scioto Greenways Project. This project is the inspection portion of the Scioto Greenways construction project.

2. MULTI-YEAR CONTRACT:

This contract utilizes the fixed direct labor, overhead, and fixed fee rates for the DLZ CA/CI agreement that covers the 2011-2013 period. The rates schedules established within this agreement will remain in force throughout the life of the 2011 - 2013 contract. Based on an RFP process using pre-determined criteria a selection committee submitted the rankings to the Director of Public Utilities who determined that DLZ Ohio, Inc., Prime Engineering & Architects, Inc., and Stantec Consulting Services, Inc. were the highest ranking firms capable of providing the required services.

2.1 Amount of additional funds to be expended: \$297,471.19

Original Contract Amount:	\$1,216,950.00
Modification No. 1 (current)	<u>\$ 297,471.19</u>
Total (Orig. + Mod 1)	\$1,514,421.19

2.2. Reasons additional goods/services could not be foreseen:

This was a planned contract modification identified in the original contracting legislation under Ordinance No. 0471-2011.

2.3. Reason other procurement processes are not used:

This contract was anticipated to be funded per the original authorized legislation under Ordinance No. 0471-2011 as new

CA/CI project needs arose. The process of selecting and contracting with a new team at this time would cause undo delays.

2.4. How cost of modification was determined:

The contract rates were established in the original contract which established fixed direct labor, overhead, and fixed fee rates for the period of 2011-2013.

3. FISCAL IMPACT:

This ordinance will require a transfer of funds within the Sanitary Sewer General Obligation Bond Fund, Fund 664, to establish sufficient funding and authority for this project and an amendment to the 2013 Capital Improvements Budget is necessary.

4. CONTRACT COMPLIANCE INFO: 31-1268980 | MBR | Expires 01/19/2015

This company is not debarred according to the Federal excluded parties listing or prohibited from being awarded a contract to the Auditor of State unresolved findings for recovery certified search.
