This legislation authorizes the Director of Public Utilities to modify and increase the service contract with Asplundh Tree Expert, LLC (formerly known as Asplundh Tree Expert Company) for Power Line Clearance, Tree Trimming and Removal Services for the various Divisions within the Department of Public Utilities. This current modification No. 3, in the amount of \$120,000.00, is for use by the Division of Power. This service contract provides power line clearance, tree trimming and removal services associated with the maintenance of the City’s electric distribution systems and related infrastructure throughout the Department of Public Utilities. Work will be performed within the City of Columbus corporation limits or other areas serviced by City agencies.

The Director of Public Utilities publicly opened two bids on January 18, 2017. Asplundh Tree Experts Company was deemed to be the lowest, best, most responsive and responsible bid.

The original contract was for a period of one (1) years from the date of execution through and including April 10, 2018 with the option to renew for an additional one (1) year period. After the initial two years, the contract can then be extended for two (2) additional one (1) periods, or portion thereof based upon mutual agreement, availability of funding and approval by Columbus City Council. The contract provided for the provision that if additional funding is necessary a modification would be requested. The Division of Power did not have all of the funding established at the beginning of 2018. This modification is to provide the additional funding necessary for the payment of services to be provided through April 10, 2019.

The vendor recently changed their status from a Company to a LLC, but the EIN number did not change. This Ordinance

is to authorize the assignment of all past, present and future business done by the City of Columbus with Asplundh Tree Expert Company, EIN #23-1277550 to be assigned to Asplundh Tree Expert, LLC, EIN #23-1277550 and is being submitted in accordance with the relevant provisions of Chapter 329 of the City Code pertaining to contract modifications.

SUPPLIER: Asplundh Tree Expert, LLC Dax Vendor #001744, (EIN #23-1277550), Expires February 2, 2019
Asplundh Tree Expert, LLC does not hold MBE/FBE status.

The company is not debarred according to the Excluded Party Listing System of the Federal Government or prohibited from being awarded a contract according to the Auditor of State Unresolved Findings for Recovery Certified Search.

1. Amount of additional funds: Total amount of additional funds needed for this contract modification No. 3 is ADD \$120,000.00 (for the Division of Power). Total contract amount including this modification is \$881,107.76.
2. Reasons additional funds were not foreseen: The need for additional funds was known at the time of the initial contract. The Division of Power did not have all of the funding established at the beginning of 2018. This modification is to provide the additional funding necessary for the payment of services to be provided through April 10, 2019.
3. Reason other procurement processes were not used: Work under this modification is a continuation of services included in the scope of the original bid contract. No lower pricing/more attractive terms and conditions are anticipated at this time.
4. How was cost determined: The cost, terms and conditions are in accordance with the original agreement.

FISCAL IMPACT: A total of \$120,000 in additional funding is budgeted and needed for this contract modification for the Division of Power.

\$416,107.76 was spent in 2017 (Div. of Water & Div. of Power)
\$399,021.80 was spent in 2016 (Div. of Water & Div. of Power)
