WHEREAS, this year to date, there have been nearly 1,300 crashes due to a driver's impairment from alcohol or other drugs within Franklin County, 125 of which have led to serious injuries or fatalities; and

WHEREAS, in 2019, the highest percentage of alcohol-impaired drivers were young adults ages 21 to 24 and that impaired driving is a leading cause of alcohol-related death among college students; and

WHEREAS, RADD Ohio is a collaborative effort among the Ohio Traffic Safety Office, RADD-Recording Artists Against Drunk Driving, and the Higher Education Center for Alcohol and Drug Misuse Prevention and Recovery at The Ohio State University, that partners with entertainment venues through AEG/Promo West and Ohio universities statewide to educate young adults on the importance of having a safe ride home; therefore
