Background: This ordinance authorizes the City Auditor to set up an auditor's certificate in the amount of \$250,000.00 for various expenditures for labor, materials, and equipment in conjunction with facility improvements managed by the Recreation and Parks Department. These are unanticipated expenditures that may include, but are not limited to, items such as plumbing, HVAC, lighting improvements, surveys, design, hard surfaces, equipment, fencing, and various emergency repairs. Contracts will be entered into in compliance with the procurement provisions of the Columbus City Codes Chapter 329. Expenditures will be in compliance with the City of Columbus Capital Eligibility Requirements.

Benefits to the Public: Having this funding in place for unanticipated needs as they arise will benefit the community by helping to ensure facilities are safe, accessible, and user friendly. This funding will also keep the impact on facility visitors to a minimum when unforeseen issues arise.

Community Input Issues: Many issues that this funding helps to address come straight from the community, through 311 and direct contact with the department. The community has expressed the desire for well-kept facilities and amenities through public workshops, social media, and direct contact with City staff.

Area(s) Affected: Citywide (99) - The entire City of Columbus is affected by having the funding in place to act efficiently on issues that arise in our facilities.

Master Plan Relation: This certificate and resulting projects will support the Recreation and Parks Master Plan by helping to ensure that facilities remain safe and user friendly.

Fiscal Impact: \$250,000.00 is budgeted and available from and within the Recreation and Parks Voted Bond Fund 7702 to meet the financial obligations of these various expenditures.
