BACKGROUND: This ordinance revises Title 11 - Water, Sewer and Electricity Code of the Columbus City Code, 1959, in order to correct verbiage found in this section. Portions of Sections 1105.15 and 1105.19 currently reference the "Division of Power," but are hereby being corrected to state the "Division of Water." Two (2) existing sections of Section 1105 are being modified.

Fiscal Impact: No funding is required for this legislation.

To amend Columbus City Code Sections 1105.15 and 1105.19 to correct the language to designate the Division of Water in those instances where the Division of Power is currently referenced as Section 1105 of City Code pertains to the Division of Water.

WHEREAS, this ordinance amends existing sections 1105.15 and 1105.19 of Columbus City Code so that references to the Division of Power are deleted, and are replaced by wording stating the Division of Water; and

WHEREAS, it has become necessary in the usual daily operations of the Department of Public Utilities to amend Sections 1105.15 and 1105.19 of the Columbus City Codes to correct certain references to the Division of Power; **now, therefore**

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That Title 11 of the Columbus City Codes, 1959, be amended as follows:

1105.15 - Charge for extension of water mains.

(A) Contract Areas:

(1) All water main extensions in areas having contract with the city for water service shall be installed and paid for as specified in the contract.

(B) Noncontract Areas:

(1) All water main extensions in areas having no contract with the city for water service shall be installed and paid for by the developer, applicants or political subdivision requesting such service at no expense to the city, regardless of the size of water main installed or length of extension.

(2) The specifications and standards of construction for all water main extensions shall be approved by the Division of Power Water.

(3) The size of all water mains shall be determined by the administrator of the Division of Power Water and shall be large enough not only to serve the areas under immediate consideration but also to serve areas which are likely to be developed and which would be served by the water main under construction. Unless otherwise required by the administrator of the Division of Power Water, no water main shall be smaller than six (6) inches nominal diameter.

(4) All extensions of water mains shall include the installation of all taps, valves and fire hydrants. The number and location of fire hydrants shall be in accordance with standards established by the Columbus Division of Fire and shall be installed and paid for by the applicant or developer under the supervision of the Columbus ~~division of fire~~ Division of Fire. The number and location of all taps and valves shall be as required by the administrator of the Division of Power Water.

(5) All water mains and appurtenances shall be owned, operated and maintained by the city, with title to be vested in the city upon completion of the water main.

1105.19 - Water sampling credit.

To provide proper compensation to customers for their assistance in any collection or sampling efforts that may be mandated by any local, state or federal agency. The Division of Water may apply a credit to any customer's account for such services rendered. This credit shall be determined by actual cost related to the services that the Division of Power Water has requested of any individual customer.

SECTION 2. That prior existing Sections 1105.15 and 1105.19 are hereby repealed.

SECTION 3. That this ordinance shall take effect and be in force from and after the earliest period allowed by law.
