**Background:**

This ordinance provides for the appropriation of special purpose funds to continue purchasing supplies and providing services in Fiscal Year 2013 that are supported by donations and fees. Deposits into this fund are from fees collected from reservoir neighbors and others for encroachment easement fees, tree damage assessments, utility easement fees, general restoration donations, settlements related to encroachment related issues among other fees collected by the Department of Public Utilities Watershed Management Section.

Under the joint agreement with the Columbus Recreation and Parks Department and the Department of Public Utilities, the Department of Public Utilities Watershed Management Section is responsible for resolving encroachments, including collection money for damages and repairing any damaged property on reservoir properties to a condition that would provide an appropriate reservoir buffer.

Monies collected into the Public Utilities Special Purpose Fund are utilized for the protection, restoration and enhancement of the City reservoir properties including but not limited to the purchase of trees, wildflowers, shrubs, evaluation of forest and wetlands, educational and informal signage and materials, personal protection equipment and landscaping services.

Emergency legislation is required in order to have funding available for necessary expenditures at the earliest time possible.

**Fiscal Impact:**

The fiscal impact of this ordinance will be to reduce the Special Purpose Fund's unappropriated balance by an amount not to exceed \$33,163.71.

To authorize the appropriation not to exceed \$33,163.71 from the unappropriated balance of the Public Utilities Special

Purpose Fund to the Public Utilities Department to continue purchasing supplies and providing services during Fiscal Year 2013, and to declare an emergency. (\$33,163.71)
