### Council Variance Application CV15-078

**APPLICANT:** Rose Man; 5834 Place de la Concorde Street West; Columbus, OH 43229.

**PROPOSED USE:** Single-unit dwelling.

**CITY DEPARTMENTS' RECOMMENDATION:** Approval. The requested Council variance will allow a single-unit dwelling within an accessory structure at a vacant commercial swimming pool zoned C-4, Commercial District. The new owners will be renovating the property for future use and wish to live on-site to save time and money during the renovation. The site is located within the *Northland I Area Plan (2014)*, which recommends institutional uses at this location. The Plan also recommends that redevelopment of institutional sites should be compatible with the surrounding area. Given the educational and recreational uses that are prevalent on this side of Beechcroft Road, and the residential uses on the west side of Beechcroft Road, the proposed residential use is supported. To ensure compatibility of the proposed residence with future commercial development on this property, the use is conditioned on being the sole use or only in conjunction with fruit and vegetable market, educational, or garden center commercial uses.

To grant a Variance from the provisions of Section 3356.03, C-4, permitted uses; for the property located at **6000 BEEHCROFT ROAD (43229)**, to permit a single-unit dwelling in the C-4, Commercial District (Council Variance # CV15-078).

**WHEREAS**, by application No. CV15-078, the owner of property at **6000 BEEHCROFT ROAD (43229)**, is requesting a Council variance to permit a single-unit dwelling in the C-4, Commercial District; and

**WHEREAS**, Section 3356.03, C-4 Permitted Uses, permits dwelling units only above certain commercial uses, while the applicant proposes a single-unit dwelling; and

**WHEREAS**, The City Departments recommend approval because this request will not add an incompatible use to the area. The requested variance will permit a single-unit dwelling in the C-4, Commercial District, and the site is located within the *Northland I Area Plan* which recommends that redevelopment of institutional sites should be compatible with the surrounding area. Given the educational and recreational uses that are prevalent on this side of Beechcroft Road, and the residential uses on the west side of Beechcroft Road, the proposed residential use is supported. To ensure compatibility of the proposed residence with future commercial development on this property, the use is conditioned on being the sole use or only in conjunction with fruit and vegetable market, educational, or garden center commercial uses; and

**WHEREAS**, said variance will not adversely affect the surrounding property or surrounding neighborhood; and

**WHEREAS**, the granting of said variance will not impair an adequate supply of light and air to the adjacent property, unreasonably increase the congestion of public streets, increase the danger of fires, endanger the public safety, unreasonably diminish or impair established property values within the surrounding area, or in any other respect impair the public health, safety, comfort, morals or welfare of the inhabitants of the City of Columbus; and

**WHEREAS**, the granting of said variance will alleviate the difficulties encountered by the owner of the property located at **6000 BEECHCROFT ROAD (43229)**, in using said property as desired; now, therefore:
