1. BACKGROUND

This legislation authorizes the Director of Public Service to enter into contract with R.W. Armstrong & Associates, Inc. in the amount of up to \$500,000.00 for the UIRF - General Engineering (2013) contract.

The intent of this project is to provide the Department of Public Service with continuing, contractual access to additional resources that are necessary to perform various professional engineering, survey, and technical expertise for the department to implement projects for the Department of Development through the City's Urban Infrastructure Recovery Fund (UIRF) program. The projects developed under this program are typically small to moderate size improvements, and frequently include a significant emphasis on pavement rehabilitation, curb replacement, sidewalks, curb ramps, drainage, street lighting, minor intersection improvements, and other minor rehabilitations and aesthetic improvements as requested.

The Department of Public Service, Office of Support Services, solicited Requests for Proposals for the UIRF - General Engineering (2013) contract. The project was formally advertised on the Vendor Services web site from December 13, 2012, to January 10, 2013. The city received four (4) responses. All proposals were deemed responsive and were fully evaluated when the Evaluation Committee met on January 18, 2013.

2. CONTRACT COMPLIANCE

R.W. Armstrong & Associates, Inc. contract compliance number is 351062227 and expires 7/27/2013.

3. FISCAL IMPACT

Funding for this contract is budgeted and available within the Streets & Highways G.O. Bonds Fund 704.

4. EMERGENCY DESIGNATION

Emergency action is requested to provide necessary engineering and design funding and prevent unnecessary delays in the Department of Development's Urban Infrastructure Recovery Fund (UIRF) program.

To authorize the Director of Public Service to enter into contract with R.W. Armstrong & Associates, Inc. for engineering, design, technical, and surveying services in connection with the UIRF - General Engineering contract; to authorize the expenditure of up to \$500,000.00 from the Streets & Highways Bond Fund for this contract; and to declare an emergency. (\$500,000.00)

WHEREAS, the Director of Public Service has identified the need to enter into a professional service contract to provide for engineering, design, technical, and surveying services required by the Department of Development's Urban Infrastructure Recovery Fund (UIRF) program; and

WHEREAS, The Department of Public Service, Office of Support Services solicited Requests for Proposals for this project; and

WHEREAS, R.W. Armstrong & Associates, Inc. received the highest score by the evaluation committee and will be awarded the contract for this project; and

WHEREAS, this ordinance authorizes the Director of Public Service to enter into contract with R.W. Armstrong & Associates, Inc. for the provision of engineering, design, technical and surveying services described above in the amount of up to \$500,000.00; and

WHEREAS, an emergency exists in the usual daily operation of the Department of Public Service in that this contract should authorized immediately so that funding can be made available for necessary engineering, design, technical, and surveying services for the Department of Development's Urban Infrastructure Recovery Fund (UIRF) program; now, therefore

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That the Director of Public Service be and is hereby authorized to enter into contract with R.W. Armstrong & Associates, Inc. for the UIRF - General Engineering (2013) contract for engineering, design, technical, and surveying services in an amount of up to \$500,000.00.
