### Background:

A boundary adjustment between the City of Columbus and the City of Worthington has been proposed. The site is on the east side of Worthington-Galena Road, north of Huntley Road and south of the Interstate 270 overpass, and consists entirely of right of way. The proposed adjustment moves the City of Columbus corporate boundary slightly eastward, to exclude the right of way. The transfer will place the entirety of the right of way along this span of Worthington-Galena Road within the City of Worthington. This legislation is being filed in response to the provisions of the Ohio Revised Code - section 709.37 regarding municipal boundary adjustments. Parallel legislation has been submitted to Worthington City Council. Columbus approval will allow the adjustment proposal to be submitted to Franklin County for finalization.

### Fiscal Impact: None
