BACKGROUND: Ohio EPA requires this legislation which authorizes the Director of Public Utilities to apply for, accept, and enter into a Water Supply Revolving Loan Account (WSRLA) Loan Agreement for the Broadview 30 Inch Transmission Main project. This Capital Improvement Project has been nominated and awaits OEPA’s approval for financing through the Water Supply Revolving Loan Account (WSRLA) program in 2025. This loan program is jointly administered by the Ohio EPA’s Division of Environmental and Financial Assistance (DEFA) and the Ohio Water Development Authority (OWDA). The WSRLA program provides below-market interest rate loans for municipal water system improvements.

FISCAL IMPACT: All applicable Loan Administration Fees will be rolled into the loan principal upon execution of the Loan Agreement. This WSRLA loan will be paid off over a 20-year period from water service fees (the dedicated source of repayment). Water service rate increases have been projected and planned in anticipation of this project and loan.

To authorize the Director of Public Utilities to apply for, accept, and enter into an Ohio Water Supply Revolving Loan Account Loan Agreement with the Ohio Environmental Protection Agency and the Ohio Water Development Authority for the construction of a water distribution system improvements project; and to designate a repayment source for the loan. (\$0.00)

WHEREAS, in 2024 the Department of Public Utilities is scheduled to prepare a Loan Application for submittal to the Ohio EPA under the Water Supply Revolving Loan Account (WSRLA) program to finance the construction of the Broadview 30 Inch Transmission Main Capital Improvements Project under the direction of the Division of Water, the financial assistance for which may be of help in reducing total project costs to the City’s water rate payers; and

WHEREAS, the low-interest loan will be applied for based upon the availability of funds through the Ohio EPA’s WSRLA program and executed upon approval by Ohio EPA of the Loan Application; and,

WHEREAS, the WSRLA Loan Application and Loan Agreement documents require the City to submit to the Ohio EPA a certified copy of approved City Council legislation authorizing the Director of the Public Utilities Department to apply for and subsequently execute the WSRLA agreement; and

WHEREAS, it has become necessary in the usual daily operation of the Department of Public Utilities to authorize the Director to apply for, accept, and enter this Water Supply Revolving Account Loan Agreement with the Ohio Environmental Protection Agency and the Ohio Water Development Authority; and **NOW, THEREFORE:**

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS
