BACKGROUND: This legislation authorizes the Director of the Department of Development to enter into contracts with various contractors for grass mowing and litter control services during the 2010 season. These services are needed to protect the health and safety of the citizens of Columbus.

Sixteen (*City-wide*) vendors submitted the required bid packet on 2/12/2010 and have been selected to participate in the weed abatement and solid waste removal program in 2010. This program is administered by the Department of Development, Building Services Division. These Sixteen vendors were not only selected on their competitive hourly rates, but the selection was also based on their completion of the bid packet and their past performance and experience in the program. Of the Sixteen vendors selected, one vendor is new to the program.

The eight (*Community-group*) associations and organizations do not formally submit a bid packet and are paid an equal hourly rate for their equipment and labor. Their hourly rates are based on the average hourly rates of the (*City-wide*) vendors that receive and award. The (*Community group*) organizations are also involved in cutting and maintaining street islands, medians and mini-parks throughout the City.

Emergency action is required so these services can be available at the beginning of the season.

FISCAL IMPACT: The 2010 Budget includes funding from the General Fund, Community Development Block Grant Fund, and Recreation and Parks Operating Fund for this service.

To authorize the Development Director to enter into contracts with various contractors for grass mowing and litter control services during the 2010 season; to authorize the expenditure of \$137,390.00 from the General Fund; to authorize the expenditure of \$140,000.00 from the Community Development Block Grant Fund; to authorize the expenditure of \$97,461.00 from the Recreation and Parks Operating Fund; and to declare an emergency. (\$374,851.00)

Whereas, grass mowing and litter control is necessary to public health; and

Whereas, it is the responsibility of the Weed Abatement Program to clear public sites and private properties deemed in violation; and

Whereas, in order to carry out this responsibility it is necessary to contract for grass mowing and litter control services; and

Whereas, an emergency exists in the usual daily operation of the Department of Development, in that it is immediately necessary to enter into contracts so these services can be available at the beginning of the season, all for the immediate preservation of the public peace, health, safety, and welfare; now, therefore,

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

Section 1. That the Director of the Department of Development is authorized to enter into contracts with the vendors listed below in accordance with Columbus City Code for grass mowing and litter control services.
