**BACKGROUND:** Columbus Public Health has been awarded a grant from the Ohio Department of Health originating from the Centers for Disease Control. This ordinance is needed to accept and appropriate \$749,197.00 in grant monies to fund the FY22 Public Health Emergency Preparedness Grant Program for the period of July 1, 2021 through June 30, 2022.

The Office of Emergency Preparedness writes and maintains the Columbus Public Health Emergency Response Plan. This Plan contains over 50 planning annexes such as infectious disease response and environmental health hazard response and mitigation plans covering the Columbus and Worthington jurisdictions.

**FISCAL IMPACT:** The program is funded by the Ohio Department of Health and does not generate revenue. The program does require ancillary mileage monies from the city, which are budgeted and available. (\$749,197.00)
