Council Variance Application: CV21-048

APPLICANT: Mike Navarro; c/o Bradley Blumensheid; 679 North High Street, Suite D, Worthington, OH 43085.

PROPOSED USE: Two single-unit dwellings on one lot.

ITALIAN VILLAGE COMMISSION RECOMMENDATION: Approval.

CITY DEPARTMENTS' RECOMMENDATION: Approval. The site is zoned R-4, Residential District, and is developed with a single-unit dwelling and detached garage that are subject of prior area variances approved by the Board of Zoning Adjustment (BZA14310-00236). The applicant proposes to add a dwelling unit above the existing garage (a carriage house), thereby providing two unattached single-unit dwellings on one lot. A Council variance is necessary because the R-4, Residential District permits a maximum of four dwelling units in one building, but does not permit two single-unit dwellings on one lot. Variances to lot width, lot area, fronting, and rear yard are included in this request. Staff finds that the proposal will not add an incompatible use to the area as there are other carriage houses within this area. The request is consistent with the recent development pattern in historic urban neighborhoods, and building design will conform to the Italian Village Commission requirements.

To grant a Variance from the provisions of Sections 3332.039, R-4 residential district; 3332.05(4), Area district lot width requirements; 3332.15, R-4 area district requirements; 3332.19, Fronting; and 3332.27, Rear yard, of the Columbus City Codes; for the property located at **783 SUMMIT ST. (43215)**, to permit two single-unit dwellings on one lot with

reduced development standards in the R-4, Residential District (Council Variance # CV21-048).

WHEREAS, by application #CV21-048, the owner of the property at **783 SUMMIT ST. (43215)**, is requesting a Variance to permit two single-unit dwellings on the same lot with reduced development standards in the R-4, Residential District; and

WHEREAS, Section 3332.039, R-4 residential district, allows a maximum of four units in one building, but does not permit two separate dwellings on the same lot, while the applicant proposes to convert an existing detached garage into a single-unit carriage house on a lot developed with a single-unit dwelling; and

WHEREAS, Section 3332.05(4), R-4 Area district lot width requirements, requires a minimum lot width of 50 feet, while the applicant proposes to maintain the existing lot width of 32.5 feet; and

WHEREAS, Section 3332.15, R-4 area district requirements, requires a lot of 5,000 square feet for a single-unit dwelling or other principal building, while the applicant proposes two single-unit dwellings on a lot area of 3,168 square feet pursuant to the lot area calculation in Section 3318.18(C), providing 1,584 square feet of lot area per dwelling; and

WHEREAS, Section 3332.19, Fronting, requires a dwelling unit to have frontage on a public street, while the applicant proposes a carriage house fronting on a rear alley; and

WHEREAS, Section 3332.27, Rear yard, requires a rear yard totaling no less than 25 percent of the total lot area for each dwelling, while the applicant proposes no rear yard for the carriage house; and

WHEREAS, the Italian Village Commission recommends approval; and

WHEREAS, the City Departments recommend approval of the requested variances because the proposal will not add an incompatible use to the area as there are other carriage houses within this area. The request is consistent with the recent development pattern in historic urban neighborhoods, and building design will conform to the Italian Village Commission requirements; and

WHEREAS, said ordinance requires separate submission for all applicable permits and Certificates of Occupancy for the proposed carriage house; and

WHEREAS, said variance will not adversely affect the surrounding property or surrounding neighborhood; and

WHEREAS, the granting of said variance will not impair an adequate supply of light and air to adjacent properties or unreasonably increase the congestion of public streets, or unreasonably diminish or impair established property values within the surrounding area, or otherwise impair the public health, safety, comfort, morals, or welfare of the inhabitants of the City of Columbus; and

WHEREAS, the granting of said variance will alleviate the difficulties encountered by the owners of the property located at **783 SUMMIT ST. (43215)**, in using said property as desired; now, therefore:

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:
