Background Information: This legislation authorizes the Director of Human Resources to modify an existing contract with Mount Carmel Health Systems / Occupational Health for testing services, as needed, for the Division of Fire's Health and Physical Fitness Program in the amount of \$880,880.00. This contract is for March 1, 2016 - February 28, 2017. This is the fifth and final year of this agreement. It is the department's intent to re-bid this contract in 2016.

The Health and Physical Fitness program is part of the current collective bargaining agreement between the City of Columbus and International Association of Fire Fighters (IAFF) Local #67. The intent of the program is to ensure the overall general health and fitness of the fire fighters.

Previously, this contract was entered into by the Department of Public Safety. In 2014, the Department of Human Resources began managing the contract for both the Division of Fire and the Division of Police.

Bid Information: Formal bid SA004173 was opened on December 15, 2011 for a Physical Health and Fitness Program for the Division of Police and the Division of Fire. One response was received for the Division of Fire program. The proposal was evaluated by a committee consisting of personnel from the Department of Public Safety, union representatives, and the Department of Human Resources based upon defined criteria included in the RFP and the relevant requirements of the Columbus City Codes Chapter 329. The committee recommended that the contract should be awarded to Mount Carmel Health Systems / Occupational Health.

Fiscal Impact: Funding is provided for this contract from the 2016 Department of Human Resources' general fund budget for this purpose. To date, \$3,119,240.00 has been encumbered for this contract (2012-2015). With the addition of this contract modification, the total cost of the contract will be \$4,080,120.00
Mount Carmel Health Systems / Occupational Health's contract compliance number is 31-1439334. This ordinance is contingent on the passage of Ordinance 2887-2015.

Emergency Action: Emergency action is requested so that testing may continue pursuant to the collective bargaining

contract between the City of Columbus and the IAFF Local #67 Firefighters Union.
