...BACKGROUND

COVID-19 and the public health response that has been needed to reduce the spread of the disease and save lives has revealed significant disparities among our Columbus residents. The City of Columbus is responding to those disparities through the 2023 Youth/Community Empowerment Grant program and other investments focused on building up our neighborhoods. These funds will be invested in community groups providing direct assistance at the grassroots level for our youth and families in the City of Columbus.

Through the American Rescue Plan, this legislation authorizes the Director of the Department of Neighborhoods to enter into sub-award grant agreements with Community Development for all People, Franklinton Development Association, Africentric Personal Development Shop, and Community of Caring Development Foundation in an amount up to \$800,000.00 to add needed support services as a result of COVID-19 for youth and families in the City of Columbus; this legislation also authorizes the expenditure of up to \$800,000.00 for these services within the Department of Neighborhoods' allocation in Fund 2209. Importantly, all expenses must be eligible under the United States Treasury American Rescue Plan guidelines. Expenses must be necessary expenditures incurred due to the public health emergency with respect to the Coronavirus Disease 2019 (COVID-19) between March 10, 2021 and December 31, 2024.

Emergency Designation: Emergency action is requested to ensure that youth and family empowerment funding is available during the summer and academic school year.

Fiscal Impact: Funding is provided to the City of Columbus from the Coronavirus State and Local Fiscal Recovery Fund passed by Congress on March 10, 2021 and signed into law on March 11, 2021.

All expenditures must be necessary for execution of the program and may include food and transportation.
